## Panthers Look For Third-Straight Indoor/Outdoor Championships

Success is something that has gone hand-in-hand with the University of Wisconsin-Milwaukee women's track and field team.

For the past 15-plus seasons, the Panthers have finished at, or near, the top of the standings every time. In fact, outside of one third-place finish, Milwaukee has finished first or second in both the indoor and outdoor championships every time.

With two more league titles added to the Panthers' name in 2011, making it four in a row and five of the last six, UWM is continuing its storied success and looking like it is the team to beat again this season.

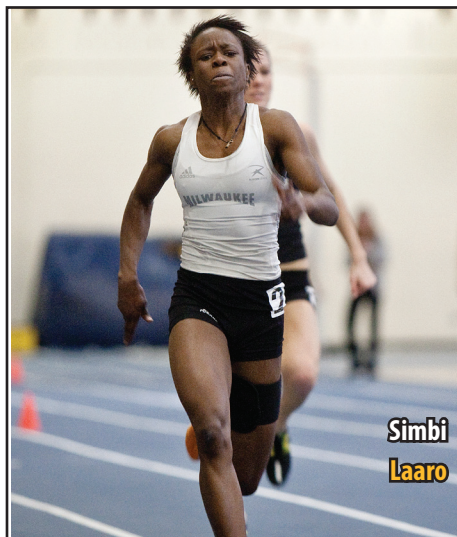

"We're very excited to start the new season," Milwaukee head coach Pete Corfeld said. "Obviously we're happy about last year's success, but that's just motivation for us to continue to get better and to keep training and working hard day in and day out."

### Sprints

Sprints were one of the deepest events for UWM in 2011. While this year's team looks young on paper, it is very experienced on the track.

Sophomore Simbi Laaro had a tremendous freshman season, highlighted by taking first in the 60m at the indoor meet. Despite being more of a hurdler, Chiamaka Okonkwo also had an impressive showing in sprints last year, competing at the league championships in the 200m in indoor and the 100m in outdoor. Sophomore Lauren Grant also had did well, taking fifth in the 400m in indoor at the league meet before redshirting the outdoor season.

While the Panthers have plenty of talent returning, they are also bringing in quite a few new faces in this event. Ashley Brusveen, Chelsea Maxey, Erin McCauley and Laurel Raye all join the team and look to make an impact in their first year on campus.

### Middle Distance

Seniors Kristi Schuette and Erika Hanson have anchored the middle-distance events for three years and 2012 should be no different. Schuette took fifth in the 800m at the indoor championships and seventh at the league's outdoor meet. Meanwhile, Hanson finished third in the 400m at the outdoor championships and competed in the event during indoor, as well.

Joining the duo will be freshman Dana Clausen. The Racine native had an impressive high school campaign and competed in the 400m and 800m at the state meet during her time at Racine Horlick High School.

### Distance

One year ago, you could argue this category was the strongest for Milwaukee. But, as is often the case in college sports, the Panthers lost quite a few of their top per-

formers from last season but still should compete at the highest of levels this year.

Shannon Brown returns to lead the group. The senior competed in the 800m at the league championships in both seasons. She also finished 10th in the 1500m in the outdoor league meet.

Joining Brown is a handful of women ready to compete. Adriana Gutierrez, Katy Koch and Carissa Schneider all redshirted last season and look to get in on the action. Also joining the Black and Gold are freshmen Clair Himmel, Annette Lemanski, Rosemary Mueller, Emily Schaal and transfer Emily Hamilton.

### Hurdles

After looking at the roster, one might guess hurdles are not a strong suit for UWM just because of lack of numbers. Guess again. Senior Calanetta Burrows and Okonkwo provide solid leadership and experience. Burrows had a great junior campaign, taking fourth in the 400m hurdles in the league. Okonkwo finished runner-up in the 60m hurdles at the indoor league championships before capturing the same result in the 100m hurdles at the outdoor league meet.

Joining the group are freshmen Maxey and McCauley. McCauley went to state in the 300m hurdles all four years in high school, while Maxey accomplished the same feat in multiple events and took third this past summer in the USATF Junior Olympic Regional Championships in the 100m hurdles.

### Relays

Last year proved to be a record-breaking one for the relay groups at Milwaukee. With little turnover and a majority of the participants from the various events returning, this season should prove no different for Corfeld's team.

Hanson, Schuette and Brown return after setting the school record and finishing runner-up in the league in the distance medley relay during the indoor season. Hanson also is joined with returners Burrows and Grant as part of the 4x400m relay team that set a new league indoor record last year.

In outdoor, Burrows, Hanson and Schuette all return from a first-place showing at the league meet in the 4x400m relay, while the entire 4x100m relay team that took

third also returns.

### Jumps

While UWM loses one of its best jumpers in program history in Reigna Pierce, it still has one of its best jumpers in program history in Samia Taylor. Taylor had a truly special season last year, going all the way to the NCAA Championships in triple jump. The sophomore finished 18th at the national meet, shattering the school and league records along the way, and became the first NCAA Division-I All-American in team history.

Joining Taylor in distance jumps is classmate Erika Suchla, who competed in the triple jump and long jump in both indoor and outdoor league meets.

At high jump, seniors Laura Hamel and Ashlee Mongoven and junior Chantel McConville all return after strong showings one year ago highlighted by Hamel and Mongoven's second and third-place finishes at the league indoor meet.

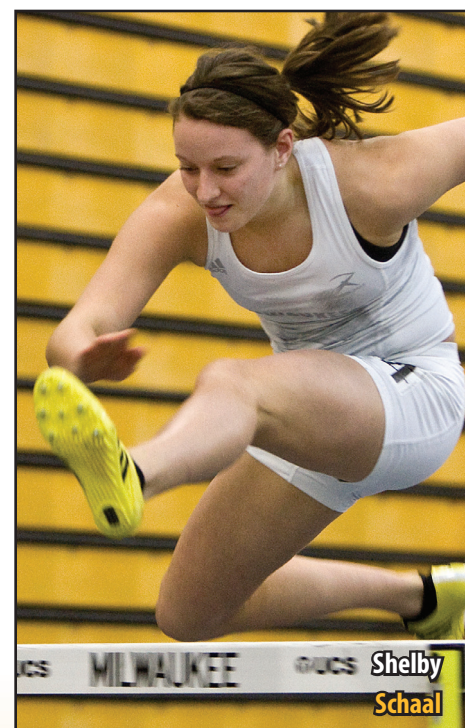

Senior Courtney Fisher and junior Sarah Finer join McConville at pole vault. All three competed in the event at both league championships.

### Throws

Brittany Alsum and Nancy Harmon are the key returners in the throwing events. Both had tremendous seasons one year ago, competing in every event at the league meet. They both also etched their names on the top-10 all-time records lists in nearly every event, with Harmon setting the new school record in hammer throw.

Senior Shelby Schaal returns as the top performer in javelin, taking third at the league meet last year.

### Combined Events

Shelby Schaal also is one of the two key returners in the combined events. Along with Hamel, the duo bolsters the most dynamic event. Hamel finished third in both the pentathlon and heptathlon, while Schaal took the top spot in the heptathlon at the league meet and scored the second-most points in school history earlier in the season.

## Milwaukee Looks To Continue Dominance In 2012

Having won both indoor and outdoor meets every time since 2004, it's safe to say winning has become a way of life for the University of Wisconsin-Milwaukee men's track and field team.

While wearing the crown brings about added challenges, the Panthers' unprecedented 16-consecutive titles have proven they handle the extra pressure just fine.

This year's Panther squad looks to continue to add to its impressive resume while navigating through another challenging schedule.

"We're very excited to start the new season," Milwaukee head coach Pete Corfeld said. "Obviously we're happy about last year's success, but that's just motivation for us to continue to get better and to keep training and working hard day in and day out."

### Sprints

UWM has a unique and special blend of both leadership and youth in its sprint events heading into the new season. Seniors Cory Yttre and Jake Whitewater are back and provide tremendous leadership for the diverse group. Last year, Yttre lead the way in both the 300m and 400m in indoor, while Whitewater finished with the third-fastest time on the team in the 60m.

Junior Durell Busby also provides quite a bit of experience to the group after leading the 100m group in outdoor last year.

Anthony Leavy and Washington Farrington had strong seasons in their first year with the Black and Gold, with Leavy leading the way in the 60m and 200m and adding his name to the all-time top-10 list in both categories in the process.

Joining the Panthers this year will be freshmen Jordan Schmidt and Devonier Casey. Casey finished fourth in the 400m at the Illinois state meet as a senior, while Schmidt, who likely will factor more in hurdles, took sixth in the 200m at the Wisconsin state meet last year.

### Middle Distance

The middle-distance group lost arguably the most of any for UWM this year, but that's not to say they won't continue to compete for league titles. Senior Jake Spaciel continues to lead the otherwise-young squad after a successful season last year, finishing strong with a UWM top-time in the outdoor league championships.

Behind Spaciel is a trio of younger runners looking to improve off last season or come in and do well in their first time out. Sophomore Toney Fisher had an impressive freshman campaign, posting the group's best time on the year in the 1000m and competing at the league meet in the 800m in both indoor and outdoor. Classmate John Mariani also had a strong finish to last season, competing in both the 800m and

1500m at the outdoor league meet. Freshman Jeff Pigg rounds out the group. The Milwaukee-native placed in the 800m at the state meet both of the past two years, finishing second as a senior.

### Distance

Milwaukee has a deep group when it comes to distance events despite only having one senior devoted to the area of competition. Thomas Wells is the lone senior in the pack and is arguably the most diverse, running in a variety of events including being the only Panther to compete in the 10,000m on the year.

A large junior class is what drives this group, with Ryan Baumgartner, Alex Francis, Bobby Glotfelty and Jake Reilly all posted strong finishes throughout the season. Reilly looks to be the true leader, coming off a third-place finish in last year's 1500m and an impressive cross-country season this year.

Sophomore Brian Klipstein had a strong showing in his first year in a Panther uniform while classmate Sam Leschisin looks to build off last year. The newcomers to the group are Louis Glotfelty and Joe Morgan. Both had strong performances in cross country and look to carry that over to the track season.

### Hurdles

UWM returns nearly all of its success from last year in the hurdle events, with Busby, Glotfelty, and sophomores Alex Delveaux and Dexter Schleis all adding their names to the school's top-time sheet a season ago.

In fact, Busby now holds the school record in the 60m hurdles as well as the league record in the 110m hurdles. The Tobagonian had an impressive sophomore cam-

paign, taking the league title in the 60m hurdles and heading to NCAA qualifiers in both seasons.

Joining the group are freshmen Schmidt and Aaron Dillon. Schmidt is a two-time state champion in the 110m hurdles and broke the state record last year, while Dillon finished second in the same event at the state meet.

### Relays

The Panthers look to build off an encouraging year in relays last year as the team returns all but one participant from last season in the many events. The 4x400 indoor relay team comprised of Delveaux, Yttre, Fisher and Spaciel had the best placement on the year, taking second at the league meet. With each member of the team back for another year, it should be a strong event for Milwaukee this year.

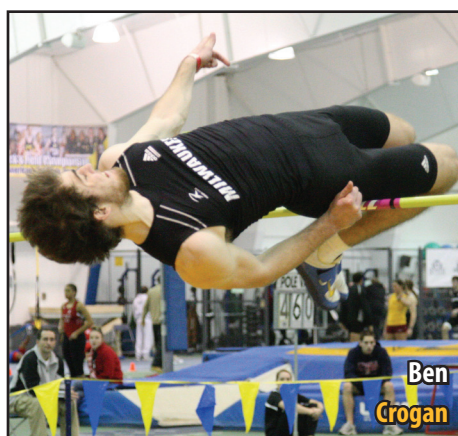

In indoor, UWM also took sixth in the distance medley relay (DMR), while in the outdoor season they finished fourth in the 4x400 and fifth in the 4x800. With over 90 percent of the competitors from those four events returning, 2012 should be a good year for the relay teams.

### Jumps

Between the three jumps and pole vault, this is arguably the strongest group of events for the Panthers despite also being one of the youngest. Senior Jake Whitewater and Ben Crogan and junior Garrett

Vetesnik are the only upperclassmen in the bunch, but there are plenty of up-and-comers showing their worth early on, as well.

Whitewater scored in both the triple and long jump at the indoor meet and provided leadership for a young group that performed extremely well last year. Sophomore Nick Hughes took first in the high jump at the indoor championships before taking second in the same event at the outdoor meet.

Matt Ferry looks to join the group after red-shirting the 2011 season. Other newcomers include Dillon and Devin Lee.

In pole vault, Vetesnik and Crogan both tied to set the league record at the outdoor championships with Vetesnik taking first based on number of attempts. Crogan took first in the event in indoor. Freshman Nate Havener looks to join the two this season.

### Throws

Matt Jensen has been the anchor in the weight events for three years and 2012 should prove to be no different. Jensen took first in the weight throw at the indoor championships, followed by a first-place showing in hammer throw at the outdoor meet. The senior also competed in three other events at the league meets and will be the leader for the Panthers again this season.

Freshmen Alexander Chollet and Jake Goodwiler join the ranks this year. Chollet holds the West Aurora (Ill.) high school discus record while Goodwiler competed in discus at the Wisconsin state meet.

Also in throws, Busby broke the league record in his only throw of the season at the outdoor league championships.

### Combined Events

The combined events are yet another very strong area for UWM. In the heptathlon, the Panthers finished 1-2-3, with junior Dan Simon taking the top honor. Second-place finisher Crogan also set the school record for points in the event earlier in the season with 5,246.

In the decathlon, it was a similar story. Senior Drew Feuk set a new league record with 6,532 points at the outdoor championships, while Crogan finished second and Simon sixth.

**CORFELD**  
Head Coach • 23rd Year  
Milwaukee, 1986

Cross Country, Distance, Middle Distance, Throws

In his 23rd season as the head men's and women's cross country and track and field coach, Pete Corfeld continues to make his mark as one of the most successful coaches the University of Wisconsin-Milwaukee has ever seen.

Corfeld has guided his teams to 43 league indoor and outdoor track titles and three cross country crowns. His 46 league titles are by far more than any other coach in school history. Last season, his men's team claimed league crowns at both the indoor and outdoor meets for an unprecedented eighth-straight year.

In fact, Milwaukee also claimed women's indoor and outdoor championships in 2011, just the fourth time one program has swept all four track titles in a season. The only other three times it has happened was in 2001, 2007 and 2008, and all were by UWM.

Individually, Panther athletes were recognized as outstanding performer or newcomer of the year five times in 2011, while the program accumulated 20 individual championships over the indoor and outdoor seasons.

The success has not ended at the league meet, as Milwaukee again sent six student-athletes to the NCAA West Regional, despite the NCAA's stricter qualifications regionals and the reduction of regional meets. UWM sent a then-school-record eight athletes to compete at the NCAA Mideast Regional in 2007. Nick Gretz qualified for the NCAA Championships and Amber Curtis finished sixth in the discus, making her eligible for the NCAA Championships. The throwers'

### NCAA Qualifiers Under Corfeld

UWM has had a rich history of producing NCAA Qualifiers during the tenure of coach Pete Corfeld. The Panthers have had seven NCAA Qualifiers and one U.S. Olympic Trials qualifier under Corfeld's instruction.

performances netted UWM points at the regional meet for the first time. That winning pedigree carried over into last season, as Samia Taylor earned a trip to the NCAA Championships as a sophomore in triple jump.

Last season's titles marked the 15th and 16th-straight for the Milwaukee men's program, while the sweep was its 11th since 1998. All told, the men's program has won 26 of the last 29 league meets. That stretch includes 13 of the 14 outdoor championships the league has sponsored.

While the men have found unparalleled success, the women have not been far behind. In fact, over the last 29 league meets dating back to 1997, Milwaukee has failed to secure a top-two finish just once. That string includes 15 league championships.

Both teams have been dominant in their success as four times a Panther team has won a league meet by over 100 points. The program holds league records on both the men's and women's sides for points in an outdoor championship and margin of victory. In 2003, UWM won the women's title with 252 points, 171 ahead of second place. Two years later, it was the men that tallied 231 points, pacing second place by 120.

Corfeld has been recognized for his success many times over, garnering League Coach of the Year honors 44 times in his career. He has coached nine league athletes of the year and 69 outstanding performer and newcomer of the year recipients. Tenia Fisher (2003-06) was just the second athlete in league history, in any sport, to be recognized as athlete of the year three times in one sport (indoor track).

Corfeld works primarily with the middle distance and distance groups in addition to the cross country squads. UWM had the 10th-fastest 4x800m relay in the country in 2005, with the quartet posting a school-record time of 7:26.17.

Corfeld's cross country program has produced 60 all-league performers since the Panthers entered a conference for the 1992 season. He has also coached two individual champions and three newcomer of the year honorees.

In 2008, the Milwaukee women took second place at the league championship and had four runners earn all-league honors for the second-straight year. For the 2008 team, three of those all-league awards were first-team honors. The second-place finishes are the team's best since joining the Horizon League. In 2007, all-league first-teamer Holly Nearman took 12th at the NCAA Great Lakes Regional for all-region honors. It was the highest finish at a Division I regional by a Panther ever. He was also named league coach of the year, the first time in league history the award went to the second-place team coach.

Despite not winning a cross country championship since leaving the Mid-Continent Conference, UWM has continually performed in the upper half of the league standings. After winning a women's crown in 1992 and both the men's and women's championships in 1993, Milwaukee has boasted a pair of men's league individual champions while rarely finishing below fourth.

Corfeld, the longest-tenured coach currently at UWM, has built well-respected track and field and cross country teams that consistently compete with other schools across the league, region and country.

Under his direction, seven different student-athletes have qualified for the NCAA Championships. In addition to Gretz, Tim Kenney, Cory Peterson and Angie

Molter all competed at the NCAA Track and Field Championships, while Chad Zehms was a qualifier in the NCAA Cross Country Championships in 1995. Peterson would later make two more appearances in the NCAA Championships, along with qualifying for the U.S. Olympic Trials in the 800m run in 1996 and placing third in the 800m at the USATF Indoor Championships. Molter was the first UWM female to compete in the NCAA Division I Championships, running the 10,000m in 1996.

Corfeld's athletes have also excelled off the track, as Josh Nygren earned the Horizon League's prestigious Coleman Medal of Honor in 2006. He was the program's third recipient of the honor after Paul McGinley in 2000 and Jonathon Manke in 2002.

Corfeld's coaching career began at St. Mary's Academy in 1980. Three years later he became the head track and field coach at Milwaukee Area Technical College. At MATC, he was named Region XIII and conference coach of the year three times. Corfeld graduated from UWM in 1986 with a bachelor's degree in science. He was then named assistant coach for sprints, hurdles and relays at Northern Colorado, where he also worked on a master's degree. In 1989, after completing his degree, he was named the head cross country and track and field coach at UWM. Since taking over the Panther track program, Corfeld has helped to elevate UWM to a regional and national program.

Corfeld and his wife, Linda, reside in Whitefish Bay, Wis.

*Travis*  
**ANDERSON**  
Assistant Coach • Fifth Year  
Oregon, 2007  
Sprints, Hurdles

Travis Anderson is entering his fifth season with Milwaukee's men's and women's track and field teams and his first as the top assistant coach, focusing in the areas of sprints hurdles and jumps.

Anderson has been on staff at Milwaukee for four seasons, serving the assistant strength and conditioning coach, while assisting the track teams in the sprints and hurdles.

"I'm incredibly excited for the opportunity to expand my coaching duties here at UWM," Anderson said. "I just want to thank Pete and the administration for giving me the opportunity to do something I truly love. My expectation is that we continue our winning tradition here and I'm psyched for that challenge."

Anderson has helped Milwaukee continue its legacy of dominance in track and field as the Panthers have won the indoor and outdoor Horizon League Championship in each of his four years with the team.

Many of the student-athletes he directly worked with over that time saw improvement from his expertise. Sophomore Dexter Schleis placed an impressive seventh at the U.S. Junior Nationals and was named a Junior All-American last year.

Several other Panthers reached the NCAA Regionals under Anderson's tutelage, as well, most recently being Calanetta Burrows (400m hurdles) and Durell Busby (110m hurdles).

"He's been here with track and field and strength and conditioning for a couple years," Corfeld said. "He's shown to me that he's up to the task, he's got experience with our team and our athletic program and he knows what's expected. Obviously, one of the expectations is that we're winning conference championships and getting people to regionals and nationals."

Prior to coaching, Anderson was a three-time All-American at Oregon, helping the Ducks' 4x400m relay qualify for the NCAA Championships in each of his four years outdoors and twice indoors.

"He's a champion," Corfeld said. "He's been to the highest level. He's been around arguably the greatest athletes in the country, not only collegiately on his team at Oregon but also the unattached post-collegiate athletes that train at Oregon. I call Oregon the temple of track and field. That's what it is. Everything is happening at the University of Oregon and he was a part of that so it's great to have him on our staff. I like to have Travis bring that experience to our student athletes and I know it's motivational to them and it will continue to be.

"He's for sure a track and field person. He lives and breathes it, no question about it. It's great to have him on the staff and I know he'll motivate the athletes and get them to higher levels."

Anderson is certified as a Sprints, Hurdle and Relay Specialist through the USTF-CCCA.

He graduated from Oregon in 2007 with a degree in geography and psychology.

*Nate*  
**WEILAND**  
Assistant Coach • Sixth Year  
Milwaukee, 2007  
Cross Country, Distance

Nate Weiland is in his sixth season as an assistant with the Panther track and cross country programs after joining the staff in 2007 as a volunteer assistant. He assists head coach Pete Corfeld with the distance runners and cross country teams.

"As a former athlete that has gone through the program, Nate is able to enlighten the younger athletes on its nuances," Corfeld said. "He is still training at a high level and the example he sets is a great motivator for the team."

In each of his first two seasons, the Panther women have taken second at the Horizon League Cross Country Championships, while both teams were third in 2009. Eleven women have earned all-league honors in that time, including four first-team honors and three in 2008 alone. On the men's side, UWM improved from an eighth-place finish in 2007 to take third place in 2008.

UWM also has shown well at the NCAA Great Lakes Regional. The squad posted the program's second-best Division I regional finish ever in 2006 when it took 14th. Then in 2007, Holly Nearman was the highest-finishing women in the program's Division I history, taking 12th.

Weiland joined the coaching staff after four years as a member of Milwaukee's distance and cross country corps.

In his career, Weiland established himself as a consistent performer, earning all-league second team honors in cross country during his final two seasons. As a senior, he took 38th at the NCAA Great Lakes Regional, the third-best regional finish in team history and second only to UWM Hall of Famer Chad Zehms. On the track, the Middleton, Wis., native is among the school's all-time leaders in the indoor 3000m and 5000m and the outdoor 10,000m. His 10k time of 30:57.60 is fourth in school history.

Weiland continues to compete, winning the AI's Run in Milwaukee the last three years after being runner-up in 2007. He also competed at the Boston Marathon in 2008, taking 288th with a time of 2:45:11. He also owns finishes of 23rd overall at the Grandma's Marathon in Duluth, Minn., in 2007, 23rd (50:50) at the Metronix USATF 10-Mile Championships in conjunction with the Minneapolis Marathon and seventh at the Philadelphia Half Marathon (1:08.48).

Weiland graduated from Milwaukee in 2007 with a degree in exercise and fitness.

*Jamie*  
**ROTH**  
Assistant Coach • First Year  
Marquette, 2011  
Throws

Jamie Roth is in her first year as a volunteer assistant with the Milwaukee track and field teams, assisting the team in throws.

Roth comes to UWM after graduating from Marquette last year, where she competed from 2006-11 as one of the school's best in throwing events.

In her senior season, Roth recorded personal records in weight throw during the indoor season, followed by another personal best in the outdoor season in hammer throw. From her efforts in hammer throw, she advanced to the NCAA Division I West Regional in Eugene, Ore.

All told, the Capistrano Beach, Calif., native is now on the top-five all-time list at Marquette in weight throw and hammer throw.

Also notable, Roth attended the storied Mater Dei High School where she set the school record in discus and was team captain and MVP her senior year.

*Timeka*  
**WALKER**  
Volunteer Coach • Fifth Year  
Milwaukee, 2006  
Sprints

After a standout four-year career with the Panthers, Timeka Walker is in her fifth year as a volunteer assistant with the program. She assists coaches in working with the sprinters.

In a career that concluded with the 2007 season, Walker won nine Horizon League individual championships and broke three school records while ranking second in another event.

She capped her career by winning each league event she competed in as a senior, pacing the field in the 60m (7.71) and 200m (25.41) indoors and the 100m (11.81) and 200m (24.31) outdoors. She broke the league 200m record with a time of 23.94 in the prelims and was named the Outstanding Track Performer of the meet.

Walker was also a part of league championship teams at the 2006 and 2007 indoor meets and the outdoor meet in 2007.

A graduate of UWM, she earned her degree in psychology in 2006 before working toward a second degree in sociology in her final season.

*Garrett*  
**HUYLER**  
Volunteer Coach • Second Year  
Cornell, 2009  
High Jump

Garrett Huyler is in his second season at Milwaukee, helping out with the high jumpers, after a standout career at Cornell University that ended in 2009.

At Cornell, Huyler broke indoor and outdoor school records in the high jump, clearing heights of 7-1 indoors and 7-3 outdoors. He capped his career with All-America honors in the event at the 2009 NCAA Championship meet, where he took eighth. The Marlboro, N.Y. native also won conference titles at the 2007 indoor, 2008 outdoor and 2009 outdoor Ivy League heptagonal meets. He helped the Big Red to three indoor Ivy titles and outdoor crowns all four years.

Huyler attended Marlboro Central High School and was a state champion his junior year. He used a final height of 6-9 to claim the title. He graduated from Cornell with a degree in CALS/Information Science.

*Tanaiya*  
**FISHER**  
Volunteer Student Assistant • First Year  
Distance

After four outstanding seasons with the Milwaukee cross country and track and field programs, Tanaiya Fisher joins the Panthers coaching staff while finishing up her degree at UWM.

The Milwaukee native capped an impressive career in a Panther uniform last season, breaking the 24-year-old record in the 1500m with a time of 4:27.50 at the NCAA regional qualifier. She also was all-league second-team in the 800m in outdoor and the indoor DMR.

In cross country, she earned all-league second-team honors in her final three seasons and was consistently one of the top-two finishers for the Panthers in all of those years.

All told, Fisher earned league honors a total of seven times between the two sports.

She will be helping in distance events this season.

Milwaukee has a rich history of All-Americans from the origins of the program. Our records prior to our jump to Division I in 1990 are incomplete. On these pages is the most comprehensive list of Panther All-Americans compiled, dating back to 1981. Corrections and additions to this list are welcome in the UWM Sports Information office and can be directed to Assistant Sports Information Director Kevin Conway at [conway2@uwm.edu](mailto:conway2@uwm.edu). We will look to provide a complete list on our website, [www.uwmpanthers.com](http://www.uwmpanthers.com), and in future editions of the Milwaukee Track & Field Media Guide.

### Wisconsin Intercollegiate Athletic Conference

Like a majority of the schools in the University of Wisconsin System, Milwaukee spent time in the Wisconsin Intercollegiate Athletic Conference (WIAC).

The University began competition in the Wisconsin Normal Conference in 1913, with records indicating the men's team had won the inaugural track & field championships in 1915.

The conference, as well as member institutions underwent multiple name changes, eventually becoming the Wisconsin State University Conference (WSUC). UWM left the WSUC in 1964.

Records indicate the Milwaukee women competed in the Women's WIAC (WWIAC) from 1976 until 1984. The conference instituted an indoor league meet beginning in 1977.

In 1997, the WSUC and WWIAC merged to form the co-ed WIAC.

### Men's WSUC Championships

The University of Wisconsin-Milwaukee is on record as having won 33 WSUC Outdoor Championships in the 46 years between 1915 and 1964. The Green Gulls, as was the school's nickname from 1927-56, won 26-straight titles from 1928-53. There were no championship meets for four years during World War II from 1943-46.
