KYLE RECHLICZ

HEAD COACH
14TH SEASON
WISCONSIN '03

HEAD COACH KYLE RECHLICZ

Kyle Rechlicz, the 2016 Horizon League Coach of the Year, enters her 14th season as the head coach of the Milwaukee women's basketball team in 2025-26.

During her tenure, Rechlicz has returned Milwaukee to a place of prominence with three 20-win campaigns in the last seven seasons, the most in the program's Division I history. Throughout her time as head coach, Rechlicz has led 11 All-Conference selections, while the team has also had four All-Defensive and six All-Freshman honorees.

The 2024-25 campaign featured redshirt-freshman Payton Rechlicz earning a spot on the Horizon League All-Freshman Team. Anna Lutz was recognized with a spot on the prestigious DI-AAA Athletic Directors Association Scholar-Athlete Team, while three Panthers were named to the College Sports Communicators Academic All-District Team.

The Panthers earned the fifth seed in the 2024 Horizon League Women's Basketball Championship as the team earned 10 league wins, which included a regular season finale over Green Bay on the road to clinch a bye into the quarterfinal round. Kendall Nead earned All-League First Team honors, while putting together a historic 38-point performance in non-conference play at McNeese State. The team also tied the program record for three pointers in a regulation contest with 17 against Central Michigan. Later in the season, Horizon Sixth Player of the Year Grace Crowley wrote a new line in the Panther record book, becoming the first Panther to finish a game shooting 100-percent from the field with at least 10 attempts.

In 2022-23, Milwaukee put together a season that saw the Panthers take down the top-two teams in the preseason poll as the

team won at home against Green Bay, while taking down league favorite Youngstown State in Ohio in mid-February. The team put together an all-time defensive effort in late December, when the Panthers held Detroit Mercy to a program-record .175 shooting percentage while holding the Titans to a record low 29 points.

The team reached the Horizon League quarterfinals after a first-round victory over Robert Morris at home. The Panthers also saw Megan Walstad earn a spot on the Horizon League All-Defensive Team, for the third-straight season, while freshman Kamy Peppler picked up accolades as an All-Freshman Team selection.

The Panthers finished 13-9 in Horizon League action in 2021-22 marking the seventh straight season with at least 10 league victories. Rechlicz helped Walstad to her second straight All-League First Team honor, just the third Panther in program history to receive multiple first team selections. Walstad also became just the second Panther in program history to be named All-Defensive distinction multiple times.

Rechlicz and the Panthers put together one of the best seasons in program history in 2020-21, finishing 20-8 overall record and 15-5 in league play to clinch a share of the Horizon League Championship for the third time in program history. Milwaukee had its best start in program history (15-1) and recorded wins over Marquette, Green Bay (twice), and IUPUI (twice). Additionally, MKE was receiving votes in the USA Today/AP Poll for the first time in program history. The Panthers received a bid to the postseason WNIT Tournament and reached the second round following a win over Drake.

Milwaukee owned one of the nation's top

defenses in 2020-21, finishing in the top 20 in points allowed (18th, 55.7ppg) and field goal percentage defense (16th, 35.2%). The Panthers also set a new NCAA record at the free throw line for men and women, hitting 83.8 percent (394-for-470) of their shots from the charity stripe.

In 2018-19, Rechlicz reached the 100-win mark with her fifth straight double-digit victory season. She coached a pair of players to postseason honors for the second straight season as Ryaen Johnson (All-Defensive) and Walstad (All-Freshman) collected Horizon League awards.

The 2017-18 season was a memorable one for the Panthers. Rechlicz coached her team to 21 wins, the second-highest total in program history. It also marked the first time since moving to Division I that Milwaukee recorded back-to-back 20-win seasons.

Rechlicz as a Player (1998-2002)

Rechlicz spent four seasons at Wisconsin, helping lead the Badgers to four postseason appearances, including NCAA tournament berths in 2001 and 2002. She was one of Wisconsin's premier 3-point shooters, setting a then-school record with seven triples in collecting a career-high 26 points against Holy Cross (12/2/01).

She led the Big Ten Conference as a junior in 3PT field goal percentage at .406. As a senior, Rechlicz earned her second Academic All-Big Ten honor while averaging a career-best 12.1 points per game.

In 123 career games, Rechlicz made 63 starts and averaged 7.9 points and 2.0 rebounds per game. Her career free throw percentage of .776 (121-of-156) would rank fifth all-time, but falls just below Wisconsin's 150 career make minimum.

The team earned an at-large berth to the Postseason WNIT, opening things up with an impressive 81-67 road win.

Under Rechlicz, Steph Kostowicz and Jenny Lindner were both named to the All-Horizon League teams, marking the first time since 2005-06 that Milwaukee earned a pair of representatives on the 10-player all-league team.

Rechlicz has quickly made her name known and within the region in making Milwaukee a force to be reckoned with. During the 2017-18 season alone, the Panther took down two Big Ten foes (Wisconsin and Northwestern) on the road to go with five wins over fellow Mid-Major ranked opponents. That comes one year after beating in-state rivals Wisconsin (80-63) and Green Bay (72-60) for the first time in the same season in 25 years.

2016-17 was also a special year in that Rechlicz led her team to a 22-12 campaign, tying the program record for most wins in a season. That was culminated with a berth to the WBI, where the Panthers advance all the way to the semifinals.

That all came just one year after Rechlicz made a big splash in 2015-16. Despite being picked ninth in the 10-team Horizon League, Rechlicz guided that team to a second-place finish in both the regular season and conference tournament. That marked just the third time in league history that a team finished in the bottom two one year and the top two the following season

for an incredible turnaround. That earned Milwaukee a berth in the WNIT - the team's first postseason appearance in a decade and just third overall, finishing with a 19-13 overall record.

For all of her efforts, Rechlicz was named Horizon League Coach of the Year in 2016, becoming just the second coach in program history to earn that distinction.

Looking back, the writing was on the wall for all this success for Rechlicz. In 2014-15, her team claimed Milwaukee's first postseason victory in five years, featured a first-team all-league selection for the first time since 2010-11 and also had a member of the league's all-freshman squad for the first time in four seasons.

In her first season on the sidelines, her team broke three Horizon League records and 10 different school records, including fewest turnovers per game and a new standard for points in a contest when the Panthers finished with 116 against Bradley.

Rechlicz was named the seventh coach in program history in May 2012 and came to Milwaukee from the University of Wisconsin. There she served as assistant coach and recruiting coordinator for the Badgers during the 2011-12 campaign.

Many Wisconsin basketball fans may better know Rechlicz as Kyle Black, who was a key member of very successful University of Wisconsin women's basketball teams from 1998-2002. For the 2000-01 and 2001-02 teams that went to the NCAA tournament, she served as co-captain and was named to the Academic All-Big Ten Team.

Wisconsin to four postseason appearances, including NCAA tournament berths in 2001 and 2002. She was one of Wisconsin's premier three-point shooters, setting a school record with seven triples in collecting a career-high 26 points against Holy Cross. She led the Big Ten Conference in three-point field goal percentage as a junior, hitting 40.6 percent from beyond the arc. As a senior, Rechlicz earned her second Academic All-Big Ten honor while averaging a career-best 12.1 points per game.

Since her playing days, Rechlicz has been associate head coach and recruiting coordinator for the University of Dayton (2007-11) and the assistant coach and recruiting coordinator for Cleveland State (2003-07).

Rechlicz, who was brought back to her alma mater in April 2011 by then first-year head coach Bobbie Kelsey, directed the UW-Madison recruiting efforts that led to the signing of five highly regarded players and one transfer from Connecticut. She also assisted with all aspects of on-court coaching, with specific responsibility for player preparation and skill development of guards.

The Flyers made four postseason appearances during Rechlicz's tenure there, including two NCAA tournament berths. Dayton advanced to the second round of the NCAA tournament in 2009-10, finishing 25-8 on the season. The Flyers also appeared in the NCAA tournament in 2010, losing in the first round to Penn State. Dayton made WNIT appearances in 2008 and 2009, advancing to the second round in 2009.

HORIZON LEAGUE PLAYERS OF THE YEAR

Traci Edwards | 2008-09

Edwards capped her career in a Panther uniform with a second League Player of the Year award in 2008-09 when she shared the award with Cleveland State's Kailey Klein. Edwards led the league in scoring and rebounding for the third straight year. She had been the first player in league history to do so twice. She also secured her place in school, league and state history. She became the first woman in school, league or state history with 2,000 career points and 1,000 rebounds. She also became the all-time leading scoring in school (men or women), league and state history.

Traci Edwards | 2007-08

Edwards was named the Horizon League Preseason Player of the Year and did not disappoint once the season started. She averaged 20.6 points per game and added 9.7 rebounds per contest. Her scoring average and 639 total points set school records, while she became the first player in league history to lead the league in both scoring and rebounding in back-to-back seasons. The highlight of her season was scoring a school-record 45 points at Loyola. In doing so, she shot 12-of-14 from the field and hit a school-record 20 free throws in 22 attempts.

Maria Viall | 2003-04

Viall became the first Panther in the team's Division I history to average a double-double for a season when she averaged a league-best 18.2 points and 10.9 rebounds per game as a senior. She was just the second player to lead the league in both categories in a season on her way to becoming the third multi-player of the year honoree. She also topped the circuit with a 52% field goal percentage. With her strong senior campaign, Viall finished as the school's all-time leading scorer, among men or women, and also broke the school Division I record for rebounds in a season and a career.

Maria Viall | 2001-02

As a sophomore, Viall was the dominant inside presence on the program's first Division I 20-win season. Milwaukee went 20-8 and posted a 14-2 record in league play. She averaged 16.7 points and 6.8 rebounds per game while shooting a school-record and league-best 57.7% from the field. She also reached double-figures in 26-of-28 games played and became the first player in the team's Division I history to top 30 points in a game twice in one season.

Jen Greger | 1996-97

Greger was the centerpiece of the one of the largest turnarounds in the nation in 1996-97 under first-year head coach Sandy Botham. After Milwaukee won six combined games over her sophomore and junior seasons, she guided the Panthers to a 16-12 record, leading the team with a school-record 552 points and 123 assists. She also led the league in scoring with another school record of 19.7 points per game and was among league leaders with 4.4 assists per contest. During the season, she scored a school-record 36 points in a game, surpassed the 1,000-point mark and became the school's Division I career scoring leader with 1,385 points.

In basketball, she still ranked in the top 20 in career scoring and the top 10 in career rebounding upon her induction. Wszalek helped the Panthers to their first-ever post-season appearance in 1980 and to AIAW Division II State Championships in 1981 and 1983. Wszalek also helped Milwaukee qualify for the AIAW Division II Midwest Regional for three-straight years. In volleyball, Wszalek helped Milwaukee to three-straight Division II state championships in the school's first three years in Division II. In 1982, the Panthers qualified for the NAIA Division II National Championship Tournament in Denver, Colo., the first time a Milwaukee volleyball team ever qualified for a national tournament.

* In 1980, Milwaukee lost to LaCrosse, but defeated UW-Stevens Point to move from Division III (Large Schools) in the WWIAC to Division II.

** In 1983, conference and school records only indicate results from the District 14 Tournament.

*** 1984 is the only season found that Milwaukee competed in the WWIAC Tournament and the district tournament in the same season.

1971-78: Conference standings and records are not available.

1979-82: Tournament records are WWIAC Tournament and AIAW Regional qualifying tournament. After the AIAW qualifying, a team advanced to the AIAW Regional.

1982-89: Milwaukee competed in a District 14 Tournament with the winner advancing to the Bi-District Championship. Years listed as 'District Champs' notes the Panthers lost in the bi-district title game. The winner of that game would then advance to the NAIA Tournament. In 1982-83, the District 14 champion advanced to the Area IV playoffs.

1987-90: Milwaukee held dual membership in NAIA and NCAA Division II in preparation of a move to Division I, but competed in the NAIA postseason.

While women's basketball was not granted varsity status until 1971, women were playing the new-fangled game at the Milwaukee State Normal School as far back as 1896, the same year as the men.

Milwaukee became known as the "Panthers" in 1965. Prior to that, the athletic teams were known as the Cardinals from 1956-65 and the Green Gulls before that, starting in 1927. During the Green Gull period, the athletic teams were alternatively known as the "Green Wave." Before 1927, the school had no official nickname, though the teams were called the "Normals."

The first women's varsity game involving Milwaukee was a loss to Oshkosh on Jan. 27, 1971. No recorded score is available for that game. The Panthers' first women's home game was a 47-35 loss to the same Oshkosh team Feb. 4.

Coached by Erika Sander, Milwaukee finished its first season with a 4-3 record, gaining its first victory Feb. 12 at UW-Platteville, 46-30.

Sander coached the team through the 1975-76 season and, after one-year stints by Linda Borowski and Nancy Schley, M.A. Kelling took the reins of the women's basketball program.

Kelling led the Panthers from 1978-95. In her second year, Milwaukee went 17-10 after winning 23 games in the seven years prior to her arrival. The 1981-82 season was Milwaukee's final as a member of the Association of Intercollegiate Athletics for Women (AIWA), which the school had been affiliated with since 1971. That year, Milwaukee went 18-12 and qualified for the AIWA Regional for the second-straight year.

From 1974 to 1984, Milwaukee competed in the Wisconsin Women's Intercollegiate Athletic Conference (WWIAC). While early records are incomplete, the Panthers did put together an impressive run over their last six years in the conference. Milwaukee's record improved each year, with a pair of third-place division finishes followed by a second-place finish and two division titles.

The latter years of that stretch marked the beginning of the most dominant era in Milwaukee women's basketball. Between 1982 and 1988 the Panthers won at least 20 games in five of six seasons. The stretch culminated with a 25-5 mark (.835) in 1987-88.

Milwaukee became affiliated with the NAIA in 1982-83 and immediately won a District 14 Championship. It was the first of three-straight titles. In both 1983-84 and 1984-85, the Panthers won a school-record 25 games, defeated Green Bay in the District Championship and Bemidji State in the Bi-District title and advanced to the NAIA Championship Quarterfinals.

The 1983-84 team featured four players that would be inducted into the Milwaukee Athletics Hall of Fame, including Carol Busche (1996), Maureen Pitrof (1997), Deb Schulman (1994) and Darla Wack (1999).

Milwaukee won another District 14 Championship in 1987-88 and made title-game appearances in 1985-86, 1986-87 and 1988-89. The leader of those teams was All-American Umenia White. When she left Milwaukee, she was the second-leading scorer and just four rebounds shy of being the second 1,000-point, 1,000-rebound player. She would later be inducted into the Milwaukee Hall of Fame.

In 1990-91, women's basketball and the bulk of the Milwaukee Athletic Department and made the jump to NCAA Division I.

Competing as a Division I Independent from 1990-93, Milwaukee went 43-39 against its predominantly D-I schedule before joining the Mid-Continent Conference for the 1993-94 season. The next year, the Panthers moved to the former Midwestern Collegiate Conference, now the Horizon League.

After a 4-22 record in 1995-96, Sandy Botham took over the program and guided Milwaukee to a 16-12 record in her first year. It marked the eighth-best turnaround in Division I that year. In fact, between the 1999-2000 season and 2005-06, Milwaukee did not finish below second once.

The 2000-01 season was a milestone year for Milwaukee, as it set a school D-I record for wins, won the team's first-ever conference championship and advanced to the NCAA Tournament for the first time in school history. That squad broke a number of school records with the emergence of Jessica Wilhite, then a sophomore, and Maria Viall in her first year.

Wilhite shattered the school record with 93 three-pointers and was on her way to a school-record 277 for her career. She graduated as the school's Division I all-time leading scorer. For Viall, it was the first of four standout seasons for Milwaukee. She would go on to break Jaci Clark's career scoring record and become the first two-time League Player of the Year in school history (2002 and 2004).

The Panthers once again rose to the pinnacle of the league in 2005-06, rolling to a 14-2 league record. With that came the team's first No. 1 seed for a league tournament in the Division I era. Milwaukee then went through the league tourney on its home floor to capture a second tournament title. Milwaukee went to the NCAA Tournament and received a 13th seed before falling to Michigan State.

Milwaukee returned to the postseason after an incredible run during the 2015-16 campaign. Despite being picked ninth of 10 in the Horizon League preseason poll, Milwaukee went 12-6 in league play and 19-13 overall, finishing second in both the regular season and conference tournament. That earned them a berth to the WNIT where they came within one possession late of pulling off the upset on the road against

Big Ten foe Minnesota.

MKE followed that up with another record-breaking season in 2016-17, tying the school record with 22 wins and berth to the WBI. There, the Panthers notched the first ever postseason win in the Division I history of the program, advancing all the way to the semifinals before finishing the season 22-12 overall.

The Panthers made it to the postseason for a third consecutive time with its first-ever at-large berth into the Postseason WNIT in 2017-18. Milwaukee broke the program record for shooting percentage in a game by connecting on 69.4 percent (34-49) of its attempts in an 81-67 road win at Northern Iowa. A few days later, the Panthers' season came to an end at historic Assembly Hall with a loss to eventual tournament champs Indiana, closing out another memorable season with a 21-12 record.

After a two year break from postseason play, the Panthers put together one of the best seasons in program history in 2020-21, finishing 20-8 overall record and 15-5 in league play to clinch a share of the Horizon League Championship for the third time in program history. Milwaukee had its best start in program history (15-1) and was receiving votes in the USA Today/AP Poll for the first time in program history. MKE received a bid to the postseason WNIT Tournament for the third time in six seasons and reached the second round following a win over Drake.

Milwaukee owned one of the nation's top defenses in 2020-21, finishing in the top 20 in points allowed (18th, 55.7ppg) and field goal percentage defense (16th, 35.2%). The Panthers also set a new NCAA record at the free throw line for men and women, hitting 83.8 percent (394-for-470) of their shots from the charity stripe.

In 2021-22, Rechlicz and company won at least 15 games for the seventh straight year (15-16) but fell in the Horizon League quarterfinals.

During the 2022-23 season, Milwaukee put together one of the best defensive single-game performances in program history on December 29 as the Panthers held Detroit Mercy to the lowest points allowed (29), lowest field goal percentage (.175), and fewest field goals allowed (7) in Division I program history. Milwaukee finished the season with an 8-12 mark in Horizon League play and earned the seventh seed in the Horizon League Tournament. The Panthers defeated visiting Robert Morris before falling in the quarterfinal round to eventual champion Cleveland State.

Behind experienced leadership of five seniors, Milwaukee put together a memorable season as the Panthers were named Horizon League Co-Champions and reached the postseason WNIT for the third time in program history.

The Panthers put together the best start in program history, opening the year 15-1 and 12-0 in the Horizon League on their way to a 20-8 overall record and 15-5 league mark.

Milwaukee battled through all sorts of obstacles as the country had to make accommodations for the COVID-19 pandemic. The schedule was a bit condensed and adjusted as the Horizon League played the same opponent on back-to-back nights.

The Panthers toppled Youngstown State in the Horizon League tournament before falling to IU Indy, the runner-ups.

The impressive season led to the

program's third postseason WNIT bid where Milwaukee put together one of its best shooting performances of the year. The Panthers finished 12-for-20 from three-point range and led the entire game in an 84-46 win over Drake.

In the second round, Saint Louis caught fire and Milwaukee fell, 61-44.

While the season may have ended sooner than the Panthers hoped, Milwaukee had plenty of reasons to be proud of its accomplishments.

Behind the best start in program history (15-1), the Panthers were receiving votes in the *USA Today*/AP Poll for the first time.

During that stretch, Milwaukee took down cross-town rival Marquette for the first time since 2008, beat Green Bay twice, and knocked off defending Horizon League Champion IU Indy two times on the road.

The Panthers were just one of 19 NCAA Division I teams to play at least 26 games, staying away from any COVID-forced pauses.

Milwaukee finished the year top three in the league in nearly every category but its most impressive accolade came from the free throw line.

The Panthers set a new NCAA Division I record (men and women) from the charity stripe, hitting 83.8 percent (394-for-470) of their attempts. Individually, Brandi Bisping was crowned individual free throw percentage champion as she finished 101-for-108 to top the nation.

Other accolades included a First Team All-League and All-Defensive Team nod for redshirt sophomore Megan Walstad and a Second Team All-League honor for Bisping. Bisping was also named to the All-Academic Team.

Milwaukee advanced to postseason play for the third straight year in 2017-18, earning the program's first ever at-large berth to the WNIT, advancing to the second round before falling at eventual champion Indiana.

The Panthers were led all season long by a group of special seniors that finished with the most wins by a graduating class in program history, as Kelsey Cunningham, Bailey Farley, Steph Kostowicz and Jenny Lindner combined to finish with 72 wins in their four years in the Black & Gold.

While the 2017-18 season ended on a big stage, it also started on one as MKE began the year playing the prestigious Preseason WNIT for the second time in program history. After dropping a very close decision in the opener at Drake, the Panthers traveled to New Orleans, where they went 1-1 against Houston and CSUN.

That proved to be the start of a big run

for Milwaukee, rattling off eight straight - the fourth longest win streak in the program's Division I history.

Among those eight wins were a pair against the Big Ten - both on the road. Milwaukee took down Northwestern in convincing fashion, 66-57, before making it two years in a row with a win over in-state rival Wisconsin with a 67-64 win inside the Kohl Center on Dec. 14.

In all, the Panthers would finish their best non-conference start in program history at 9-3.

That success would carry over in conference play against what proved to be the deepest mid-major conference in the country in 2018, with five teams qualifying for postseason play.

Rechlicz would guide her team through various injuries and a difficult league slate to an 11-7 Horizon-League record. After just missing a big comeback win - a theme for this year's squad - in the

conference tournament inside brand new Little Caesar's Arena, the Panthers were forced to wait to see if they would be making yet another postseason appearance.

The call came and Milwaukee was on its way to Cedar Falls, Iowa for the WNIT. Sophomore Jamie Reit poured in a career-high 21 points, Jenny Lindner didn't miss a shot (8-for-8 from the field, 2-for-2 from the free throw line) and Steph Kostowicz just missed a triple double with 13 points, a career-high 12 assists and seven rebounds. As a team, MKE shot a program-best 69.4 percent (34-49) from the floor in an 81-67 first round win.

The hot shooting ran out one game later in a second-round loss at eventual champion Indiana from historic Assembly Hall.

The 2016-17 season was a memorable one for a number of reasons for Milwaukee, with a large portion of those memories forming around the team's impressive run in the WBI postseason tournament.

One year after a runner-up finish in the Horizon League and a berth to the WNIT, the Panthers had high hopes entering the year with nearly the entire starting lineup returning.

Those high hopes were not disappointed, as Milwaukee stormed out of the gates. The team started the year with seven wins in its first eight games, including a tournament title at the TD Bank Classic in Vermont over the Thanksgiving holiday and a lopsided 80-63 handling of in-state rival Wisconsin. That led to College Insider placing Milwaukee 20th in their mid-major poll - the first ranking in program history.

The Panthers carried that early

success into another strong showing during the league slate, with more memorable wins - headlined by the 72-60 win over rival Green Bay at home.

After coming up just short in the league tournament semifinals, the Panthers were selected to the WBI - marking the first time in Division I history the Panthers played in back-to-back postseason tournaments.

Milwaukee started things off with a dominating 81-53 win at home over Southern Illinois. The Panthers shot nearly 60-percent from the floor for the game and all 12 players saw significant minutes to secure Milwaukee's first postseason win in the D-I era.

Milwaukee then made the trip to Loretto, Pa. to take on host Saint Francis four days later. Trailing at the half, Milwaukee dug deep to reclaim the lead and finished the game going

12-of-14 from the free throw line to secure another postseason victory.

The Panthers postseason run would come to an end four days later after a trip down the coast to Greensboro, N.C., Steph Kostowicz had a huge showing with 15 points, 14 rebounds, four steals and two blocks but it wasn't enough. Shooting an uncharacteristically low 32-percent from the floor, Milwaukee never found its rhythm in a WBI semifinal loss at UNC Greensboro.

Despite the result, the Panthers still tied the program record for wins in a year with 22 - equaling the mark set by the 2005-06 team that advanced to the NCAA Tournament. Milwaukee also played later into the season than any team before them - with the final game coming on March 23.

The 2015-16 Panthers produced an incredible turnaround that saw them finish runners-up in both the regular season and the Horizon League Tournament, earning the team's first ever berth to the WNIT.

Despite being picked ninth of 10 in the Horizon League preseason poll, the Panthers went 12-6 in league play and 19-13 overall to defy the odds with one of the biggest turnarounds in the entire NCAA.

It took a few weeks for the team to find its rhythm, but once it did the Panthers were hard to beat.

The season was filled with memorable moments, including Sierra Ford-Washington's winner with just seconds left to sink UIC, followed by a buzzer beater to take down Cleveland State inside the Klotsche Center in front of a packed crowd of over 2,000 fans.

Milwaukee had two five-game winning streaks during league play alone, highlighted by three-straight games where they scored over 80 points and held opponents to just 60.

Despite falling short in the Horizon League Tournament Championship, Milwaukee went into its WNIT matchup with Big Ten foe Minnesota with loads of confidence and it showed. Milwaukee led by one at halftime and - behind 30 points and 11 rebounds from Steph Kostowicz - they were within two points with just 1:07 left on the clock. But - behind a herculean effort from Big Ten Player of the Year, Rachel Banham (48 points) - the Gophers escaped with the win.

Kyle Rechlicz was named Horizon League Coach of the Year in her fourth season at the helm of the Panthers, while Kostowicz was named first-team all-league as a sophomore.

In 2006, the Panthers made an emphatic drive into the postseason. They rode a 12-game winning streak to a league regular season crown, league tournament title and the second NCAA Tournament berth in school history.

In fact, Milwaukee headed into the tourney having won 17-of-18 games in the 2006 portion of the schedule.

Milwaukee finished the league regular season at 14-2 to share the regular season title with Green Bay. Milwaukee defeated Green Bay twice in the regular season for the first time since 1996-97 to earn the first No. 1 seed in team history.

After a quarterfinal win over Loyola, Milwaukee secured hosting rights for the rest of the tournament.

Playing in front of the hometown fans, senior Molly O'Brien hit a layup

with 4.8 seconds remaining to send the Panthers past Butler in the semis before freshman Traci Edwards' 23-point, nine-rebound, seven-assist performance propelled Milwaukee past UIC in the title game.

Milwaukee earned a No. 13 seed and remained close to home for the NCAA Tournament, playing in nearby Chicago against fourth-seeded Michigan State. The Panthers held their own early on, and led for parts of the opening half, before falling 65-46.

Edwards was the story of the year, netting League Newcomer of the Year and all-league first team honors after averaging 16.1 points and 10.0 rebounds per game. O'Brien and Nichole Drummond provided senior leadership and scoring, each averaging double-digit points per game. Drummond joined Edwards on the league's first team.

Milwaukee made its first trip to the NCAA Tournament with the automatic bid from the Midwestern Collegiate Conference tournament championship. The Panthers won a share of the regular season league title and, with the second seed, posted three decisive victories for the team's first Division I league championship.

In the NCAA Tournament, Milwaukee drew a road game at No. 5 Duke, falling to the Blue Devils, 96-63.

Despite strong senior leadership, a couple of underclassmen emerged to lead the team on the court. Sophomore Jessica Wilhite and freshman Maria Viall had breakout seasons, while each would go on to score over 1,000 career points.

Wilhite hit a school-record 93 three-pointers on her way to a team-high 15.5 points per game. Included in that figure was a school-record 10

against Green Bay in January and seven more against the Phoenix in the league title game.

Meanwhile, freshman Maria Viall gave Panther fans a preview of what was to come, finishing second on the team in scoring (12.1 ppg) while leading the squad in rebounding (5.9 rpg).

After getting off to starts of 1-3 and 4-7, Milwaukee won 15-of-18 games heading into the NCAA Tournament, including nine-straight wins through the league championship game.

In the league tournament, Milwaukee held Wright State to just 23 percent shooting in the quarterfinals to win, 58-34, before smothering Butler, 80-49. In the title game, Wilhite set tournament records with 36 points and seven three-pointers to lead the charge. Viall added 15 rebounds and seven points for the Panthers.

The Panthers won a third-straight NAIA District 14 Championship and, after knocking off Bemidji State in the Bi-District title game for the second year in a row, advanced to the NAIA Championship for the second time.

Milwaukee led Carson-Newman at halftime in the NAIA Quarterfinals, but fell to the Lady Eagles, 71-68. In a close game throughout, C-N used a 7-0 run with under 2:30 to play to take a four-point lead and hold on for the win. Milwaukee was within one late, but a pair of Eagle free throws provided for the final score.

Milwaukee boasted three Milwaukee Athletic Hall of Fame players in seniors Carol Busche and Darla Wack and freshman Jeanne Look. Busche led the team with 15.8 points and 7.7 rebounds per game on her way to All-America honors.

Milwaukee posted winning streaks of 10 and 11 games on its way to winning a school-record 25 games for the second season in a row. After starting 2-3, the Panthers then won 10-straight before rebounding from a three-game skid and winning their next 11 games heading into the NAIA Quarterfinals.

In the first of two-straight NAIA Tournament appearances, Milwaukee posted a school-record 25 wins and claimed its second-straight District Championship with an 83-74 win over Green Bay.

After topping Bemidji State in the Bi-District Championship, Milwaukee faced Portland in the NAIA Quarterfinals. The Pilots broke a 29-29 halftime tie to come away with the 74-63 victory.

It was no surprise that the 1983-84 Panthers would find so much success, as four players and head coach M.A. Kelling would go on to be inducted into the Milwaukee Athletic Hall of Fame. One such inductee, Maureen Pitrof, led the team in both scoring (17.3 ppg) and rebounding (9.5 rpg) as a sophomore. Junior Darla Wack and senior Deb Schulman formed a dangerous backcourt for Kelling, averaging over 10 points per game

apiece, dishing out over 100 assists each and combining for 155 steals. Pitrof and Schulman garnered All-District honors, while Kelling was named District Coach of the Year.

Milwaukee dropped its first two games of the season on the way to a 2-3 start before winning 14 of the next 15 games, including an 11-game winning streak.

The Panthers then avenged two regular season losses to UWGB and another in the WWIAC semifinals, with their win over the Phoenix in the district finals.

The 1983-84 squad was the first of three 25-win teams in school history. Kelling gives a slight nod to this team as the greatest in school history.
