SPORTS INFORMATION • 5TH SEASON • MILWAUKEE, 2003

Kevin Conway is in his fifth year as an assistant sports information director at UWM. He is the main contact for women's soccer, women's basketball, track and field and cross country, while also handling much of the design work for Milwaukee media guide covers, posters and other publicity materials.

Conway graduated from UWM in 2003 with a degree in broadcast journalism before spending a year as a media relations intern at Miami (Ohio) University. He was Miami's contact for women's soccer, swimming and diving, track and field, cross country and softball, while assisting with the men's basketball and football programs.

As an undergraduate at Milwaukee, Conway worked in the sports information office performing a variety of duties, working extensively on Horizon League Championships for men's and women's soccer and men's basketball. He also produced the 2002 and 2003 baseball media guides.

Media members are invited to visit www.uwmpanthers.com - the officially-sanctioned website of the UWM Athletic Department - to keep up with all of the latest information on the Milwaukee women's soccer program. The site features weekly releases and previews prior to gameday, plus complete game recaps, postgame quotes, box scores and up-to-date statistics. Fans can also follow the stats of all home games live online. The site also features profiles on every UWM women's soccer player, as well as special feature stories on the team, updated throughout the season. Plus the website - hosted by CSTV Online - has updated information on all 15 of UWM's varsity sports.

PANTHERS SET SIGHTS ON NCAA TOURNAMENT, NINTH-STRAIGHT LEAGUE CROWN IN 2008

Milwaukee returns seven starters in search for third NCAA Tournament in four seasons

9-TIME HORIZON LEAGUE CHAMPIONS

The University of Wisconsin-Milwaukee women's soccer team enters each season with the same goals: win the Horizon League and then make and advance in the NCAA Tournament.

Last season, the Panthers fell shy of that goal. After winning an eighth-straight league regular season title, the team was stopped short on penalty kicks in the league championship game. On the bubble for an at-large berth into the NCAA Tournament, the team again fell just short and was left out of the field.

But, seven starters return to Milwaukee in 2008 looking to make it back to the NCAA Tournament for the third time in four years.

"We are always excited to get a new season started," head coach Michael Moynihan said. "We played well in the spring—playing good soccer and scoring goals—and we have every reason to feel optimistic about this season."

One question mark lingers on the Panthers' minds as preseason training begins and that is the back line, which lost three starters from a year ago. But, if the defense is a question mark, that would make goalkeeping and the midfield exclamation points for the team.

"The key for us this season will be to establish a consistent back four," Moynihan said. "We lost three starters from last season and multiple players made up that fourth position. Finding the right chemistry back there will be one of our goals for the preseason."

Seniors Erin Kane in goal and Sarah Teegarden in the midfield have started and each been named to the all-league first team over their first three seasons together. The pair will lend great leadership to a backline that will see three new full-time starters.

"Our goalkeeper play will be big," Moynihan said. "We are fortunate in that Erin is experienced and is coming off a strong summer. She has always been good for us. We expect her to continue getting better and anchor our defense from the goal."

"Our midfield and forward lines will be up to the task this season. They will be called upon to give us more goal-scoring. We are still looking for one player to emerge as a consistent threat. We need one player to step up and score 12-or-more goals. It's been quite some time since we've had that."

Eight newcomers will be added to the mix all over the field, with a handful being put into competition for starting roles on that defense.

"Our incoming players will give us tremendous depth and will greatly enhance our athleticism," Moynihan said. "It will make for very competitive training sessions. That's where playing time will be earned and I look forward to seeing who steps up. Whoever it is, our team will be better from this competition."

GOALKEEPERS

Kane returns for her senior season, having already played more minutes in goal than any player in school history. She has also already set school records for career goals against average, wins and shutouts.

She will be backed up by sophomore Leslie Deebach and freshman Lindsay Boeckman. Deebach appeared in one game last season as a redshirt freshman and combined with Kane on a shutout. Boeckman, meanwhile, was a three-time all-conference selection at Fort Dodge High School in Iowa.

"Erin is our number one goalkeeper and has been outstanding for us. We have a lot of confidence in her abilities," Moynihan said. "Leslie put in good work in the off-season and will be pushing Erin for playing time. Lindsay can come in this season and has two keepers with experience that she can learn from."

DEFENDERS

Milwaukee has become known for a stingy defensive squad that yields few shots and even fewer goals. With three starters gone, it remains to be seen who will make up the back line.

Sophomore Erin DeYoung made 12 starts on de-

fense at outside back, the most starts of any of the returners. Junior Kayla DeJardin may be the most experienced, starting nine times last season while also seeing time in the midfield. Senior Andrea Wisniewski has an inside track, starting six times in 2008, including a number of late-season matches.

Junior Louise Vraney and sophomore Helena Zbilut also saw time in the back, with Zbilut making three starts. Vraney played some outside back as a sophomore, though focused more on her usual forward position.

"Kayla and Drea have the most experience of our returning defenders," Moynihan said. "Drea has fought through a lot of injuries and, if she can stay healthy, she offers us a strong, athletic presence. DeYoung could play in the back or up front and Helena is good technically and is a smart player."

A surprise candidate for an outside defender position is sophomore Nicole Sperl. Sperl led the team in scoring last season with five goals and four assists (14 points) as a forward. Sophomore Kelly McGrath, who played in six games in the midfield last season, saw time in the back during the spring and is another player that could spend time on defense.

"Sperl played outside back for us in the spring for the first time and we felt she did a good job," Moynihan said. "Kelly really came on in the spring. Both players have the flexibility to play multiple positions and could find time in the back."

Freshman Makenzie Gillaspie will also likely play a factor in shoring up the Panther defense. Primarily a midfielder at Elkhorn High School in Nebraska, she was a two-time all-state selection and helped her team to two state titles.

Other incoming players that might be given a look back there are Sammy Vovos, Laurel Ragalie and Mary Wandolowski.

"While we lack a group that has played a lot together, I think we have a very deep roster and a lot of talent to work with," Moynihan said. "I'm

not concerned with what position players have played in the past. The key is finding what works best for this group and how it all fit together. I'm confident in the talent we have and I'm confident in the chemistry and the sense of 'team' we have developed.

"It may take some time, but if people can look at it from a team perspective and contribute where the team needs them, we'll establish a formidable defense once again."

MIDFIELDERS

Teegarden, junior Kate Megna and sophomore Heather Roadhouse each return to the midfield after outstanding seasons in 2008. Teegarden and Megna were all-league first-team selections and Roadhouse started all 21 games and was named to the *Soccer Buzz* Freshman All-Region team.

Sophomore Sarah Talbert will also figure prominently. After earning a starting position as a freshman, she was set back with an ankle injury.

Teegarden has been a clutch all-around player for the Panthers in her career. She is second in school history with eight game-winning goals and leads all active players with 13 career goals. She has also proven herself as one of the top defensive midfielders in the region.

"Teegs has had a great career," Moynihan said. "She is coming off a good spring and is going to have a great season. She is a ball-winner and has a phenomenal work rate, but she is also very confident and crafty with the ball at her feet."

Megna has been a key playmaker for Milwaukee and broke out last season. She finished tied for third on the team in scoring with four goals and four assists (12 points). Roadhouse saw a lot of time as a defensive midfielder and out wide.

"Kate had a great spring after having her best season for us last year," Moynihan said. "Heather has done well for us in the midfield, but could also be another option for us in the back. She's another player for us that will help on the field with her versatility."

Another player whose versatility could impact the midfield is Sperl.

"Nicole played defensive central mid for the regional team this past summer and they loved her back there," Moynihan said. "If she can assume that role, it would free up Teegs to go forward more and be more of an offensive force than she was allowed last season."

Junior Erin Kreuser split time between being an attacking midfielder and forward last season, emerging as a true playmaker. She led the team with seven assists, added three goals and finished second on the team with 13 points.

Senior Beth Steuer will also be back in the middle. She has played in all 43 games the last two seasons, tallying six goals and two assists in that time. Last season, both of her goals came as game-winners.

Two freshmen midfielders join the cause in Keara Thompson and Wandolowski. The coaching staff thinks Thompson will be another playmaker like Kreuser and should see her fair share of time in the midfield or up top. Wandolowski is a flexible player that will likely see most of her time in the midfield, but could be looked at in a number of positions.

FORWARDS

In recent years, Milwaukee has lacked a go-to scorer capable of putting up gaudy numbers on offense. Instead, UWM has relied on a number of players stepping up and contributing to the offense, with four players reaching the 10-point mark in each of the last three seasons.

Moynihan and his staff will have a good number of players vying for the go-to scorer's role, including the leading scorer from each of the last three seasons. Sperl remains an option at forward, but other returning scorers include Vraney, senior Jodi Klagos and Kreuser. Vraney and Klagos have been slowed by injury, but have demonstrated their ability for finding the goal.

Vraney picked up six goals and two assists as a freshman and added one of each last season. Klagos, on the other hand, tallied five goals and two assists as a freshman, but has been limited to two goals in 22 games (12 starts) since. After collecting five goals and an assist as a freshman in 2006,

Kreuser led the team with seven assists in 2007 and added three goals of her own.

Klagos is working her way back from a second ACL reconstruction and hopes to join the lineup in mid-season.

Sophomore Nicole Hirsch rounds out the returners at forward while Erin DeYoung could see time up top, as well. Hirsch capped her rookie season on a strong note, combining on both of UWM's goals in the league title game last season, tallying a goal and assisting on the other. She also ended the spring on a high note, scoring twice against Iowa.

Freshmen Thompson, Sarah Hagen and Laurel Ragalie will bring new blood to the mix. Each player is technically sound and has shown to be proficient at scoring during their high school careers. Thompson is a three-year member of the Canadian U20 National Team pool. Hagen is a three-time all-state honoree and tallied 33 goals as a senior, including 10 game-winners. Ragalie was the Gatorade Wisconsin State Player of the Year as a senior and finished her prep career with 104 goals.

"Sarah is a tall target that is really good with the ball," Moynihan said. "She will allow us to have a big player up top that can hold the ball. Hopefully our small, speedy players will be able to combine effectively with her. That's something we haven't had in a while."

Wandolowski, Vovos and another freshman, Chelsea Colling, will all be new to the squad and be looking to contend for playing time at forward. Wandolowski earned all-area honors multiple times and Vovos was an all-region second team selection last season. Colling, meanwhile, scored 44 goals as a senior and shared area player of the year honors with fellow freshman Hagen.

"All of our forwards are very energetic and put in a great work rate, but as a whole we need to be more technically proficient at finishing," Moynihan said. "We need to find the right chemistry up top and have them work together in an intelligent manner. They will be more effective once they understand each other's role more."

MICHAEL MOYNIHAN

HEAD COACH ■ 12TH SEASON ■ WISCONSIN, 1990 ■ 132-65-31 (.647) OVERALL RECORD/ 57-5-5 (.888) IN LEAGUE GAMES

9-TIME HORIZON LEAGUE CHAMPIONS

With each passing year, the achievements continue to mount for head coach Michael Moynihan.

He enters his 12th season at the helm of the Panther soccer team with eight-straight Horizon League regular season championships in tow, a gaudy .888 winning percentage in league games, five league coach of the year awards and a school-record 132 wins overall. Moynihan also sits just five wins shy of becoming the winningest soccer coach, men's or women's, in school history.

Last season was no exception, as the Panthers ran through the league schedule unbeaten for the fourth-straight time and seventh time in eight seasons. Four players were named to the all-league first team, the squad's most since 2001. UWM also captured its first Milwaukee Cup crown, advanced to the league title game for a league-record ninth time and posted an unbeaten streak of at least 11 games for the third-straight season.

Under his guidance, the Panthers experienced the most accomplished season in school history in 2005. Then, as an encore, Milwaukee topped the performance in 2006. That year, Milwaukee won a school-record 16 games on the way to a seventh-straight Horizon League regular season championship. It earned the first women's soccer at-large berth into the NCAA Tournament in school and league history. Then the Panthers matched the 2005 team by reaching the second round of the NCAA Tournament for the second straight year. They also finished the season receiving votes in the NSCAA National poll and ranked by *Soccer Buzz* for the second-straight year.

The national notoriety did not end there. The Panthers defeated a ranked opponent for the second time in team history (W, 1-0 v. #16 Missouri) and finished among the nation's leaders in goals against average, shutout percentage and winning percentage. Ginny Graczyk then became the program's first overall All-American since 1985.

Graczyk also headed a list of four all-region honorees, three all-league first team members and three more players selected to the league's second team. The awards are not just limited to the field, as Graczyk was named an Academic All-American—one of five under Moynihan—and is one of 15 players to be named to an academic all-region team since 1997.

The NCAA Tournament trip was UWM's fifth overall, while its current streak of eighth-straight regular season league crowns represent the second-longest current streak of its kind. Only Penn State in the Big Ten (10) has won more. In that time, the Panthers have gone 48-1-3 in league play, including the two longest league unbeaten streaks in league history. Currently, Milwaukee has not lost a regular season league contest since 2003, a league-record 30-straight games (28-0-2).

Overall, Moynihan boasts a 57-5-5 (.888) record in league play and has led the team to nine Horizon League regular season titles. The Panthers went 5-0 in 2000 to post the league's first perfect season since 1995. They followed that up with a 6-0 campaign in 2001 and then posted 7-0 league records in 2004 and 2006. UWM has also posted unbeaten seasons in 1997, 2002, 2005 and 2007 and has won the league tournament a league-record four times.

Already the winningest coach in history of the UWM women's soccer program, toward the end of the 2005 regular season Moynihan became just the fourth soccer coach in school history, men's or women's, to reach 100 wins. He now has 132 for his career, five back from breaking the school all-gender record. Moynihan has never experienced a losing season while winning at least 10 games in all but one season.

THE MOYNIHAN FILE

The Milwaukee native has been rewarded for his efforts as he has won five league coach of the year awards. He was honored after his first season in 1997 and in back-to-back years in 2000 and 2001. He was then honored in 2004 and again last season.

Moynihan's players have also earned their fair share of awards, as four players have been named Horizon League Player of the Year, including three straight from 1999 to 2001 (Fanta Cooper, 1999 and 2000; Erin Blaedow, 2001). Panthers have also earned all-region honors 27 times and 60 all-league first or second team awards. On top of that, Erin Kane and Sarah Teegarden were both Freshman All-Americans in 2005.

In 1997, Moynihan's first season as head coach, Milwaukee earned the school's first berth in the NCAA Tournament by virtue of winning the league tournament. The Panthers went 13-3-4 that season after getting off to a school-record 7-0-2 start.

The next season saw the Panthers pull off their first victory over a ranked foe, as they topped No. 8 Nebraska, 2-1, in overtime, in Lincoln, Neb., to open the season. In 1999, the Panthers spent the entire season ranked in the top 10 of the Great Lakes Region by the NSCAA, another first for the program.

Moynihan began his collegiate coaching career in 1993 as an assistant coach with Milwaukee. Coaching under his sister, Susan, he helped the Panthers to a 40-33-4 mark in four seasons as an assistant. That time laid the groundwork for when he would take over the program in 1997.

Moynihan has taken pride in his soccer ties to the community. Giving back to the area that supported his growth as a player, Moynihan has coached and influenced many local soccer clubs and players. He currently serves on the board of directors for the Shorewood Kickers and formerly was the the director of coaching for the Wisconsin Girls Olympic Development Program. Moynihan also coached both the Milwaukee Pius XI varsity girls and Marquette High School freshman boys teams, along with club soccer for F.C. Milwaukee.

Moynihan and his players regularly host soccer camps and clinics throughout the area to help spread their knowledge and love of the game. His coaching philosophy is based on his players having a simple desire to learn. He excels in developing not only players' skills, but also their appreciation for the game.

He graduated from Wisconsin in 1990 with a degree in history. While at Wisconsin, Moynihan was a four-year letterwinner with the Badger soccer team. He served two years as team captain and was also the recipient of the team's Bill Reddan Award for Sportsmanship as a senior. In addition, he was named the team's most valuable freshman in 1986. Continuing his education, he earned a teaching certificate in secondary education from UWM in 1993.

Moynihan holds a USSF 'A' coaching license as well as a USSF national youth license. He is currently on the advisory staff for Region II ODP and a coach for the '92 ODP team at the state level. He has also served as the head coach for the '91 ODP regional team

Moynihan and his wife, Holly, have one son, Gabriel, and reside in Shorewood.

DAVID NIKOLIC

ASSOCIATE HEAD COACH • 15TH SEASON • MILWAUKEE, 1992

9-TIME HORIZON LEAGUE CHAMPIONS

David Nikolic enters his fifth season as the UWM women's soccer associate head coach after having spent the previous nine seasons as an assistant coach with the Panther women. In his 14 seasons at Milwaukee, he has helped the program reach the success it continues to this day.

"David and I have worked together a long time and that helps us to know each other's strengths and weaknesses," head coach Michael Moynihan said. "We compliment each other very well and that has been a big reason for our program's success. He is a true student of the game and is able to bring tactical insight as well as technical ability."

Nikolic has been an integral part of the women's soccer program and has helped guide Milwaukee to five NCAA Tournament berths, nine regular season league championships and four league tournament titles. In 2005, the Panthers won both the Horizon League's regular season and tournament crowns to move on to the NCAA Tournament. Once there, they outlasted Purdue in penalty kicks to advance to the second round for the first time in school history.

"I have enjoyed being a part of the growth of women's soccer at UWM the past 14 seasons," Nikolic said. "I take a lot of pride in the fact we attract players in the region who look at Milwaukee as a place where they can come and become better students of the game, consistently play nationally-ranked opponents and have a good opportunity for postseason play."

Nikolic assists Moynihan in a variety of areas, including recruiting, on-the-field coaching and the development of training sessions. He is also responsible for coordinating team travel, the upkeep of Engelmann Field and fundraising and marketing efforts.

Prior to the 2006 team, lights were installed at Engelmann Field, enhancing its reputation as one of the premier soccer facilities in the region. Nikolic played an intricate role in helping to secure funds for the project through various donors. He also participated in the planning stages of the project.

In addition to his collegiate coaching career at UWM, Nikolic has coached extensively at both the club and high school levels for the past 14 years. He coached at Wauwatosa East High School before moving to Milwaukee Pius XI, where he led the Lady Popes to an undefeated season, a state championship and a No. 16 national ranking.

As a staff coach with the Milwaukee Kickers Soccer Club, Nikolic led three teams to third-place finishes at the Region II Midwest Championships. In his time with the club, he has coached seven state championship teams. Nikolic has also been director of the club's summer camps and currently coaches at summer camps regionally and nationally. Nikolic also served as the coach of the Milwaukee Kickers Majors men's team, which won the Wisconsin Open Cup in 2004, the regular season title in 2005 and the 2006 Wisconsin Amateur Championship.

Nikolic has also coached F.C. Milwaukee's adult program. In 2002, his U-23 men's team won the regional championship and finished third nationally. He is a USSF 'B' licensed coach and is a Region II Olympic Development Program staff coach. He has coached with the Wisconsin girls ODP program for 12 years. His teams have been Region II ODP finalists in 1999, 2001 and 2003. He is currently the first assistant for the Region II Girls 1992 ODP team that toured Germany in March 2008.

Nikolic had a successful 2005-06 campaign with the Kickers. His men's team won the 2006 Wisconsin State Outdoor Championship, Indoor Championship, Wisconsin Amateur Cup and also the Region II Over 30 Regional Event. The Over 30's finished as runners-up in the National Championship.

In 1992, he earned his bachelor's degree from UWM in mass communication and history.

ASSISTANT COACH ■ 2ND SEASON ■ CASTLETON STATE, 2007

Chris Maravalli is in his second season as an assistant coach at Milwaukee. Among his duties are working with the goalkeepers, assisting in recruiting, training session preparation and match management.

“Chris has been a great addition to the staff,” head coach Michael Moynihan said. “He has great experience as a goalkeeper and does a great job training our keepers. Chris is very ambitious and hard-working. He has been a good fit for our program.”

He also serves as goalkeeper coach for FC Milwaukee and is a coach with the Shorewood Kickers U13 boys team.

Maravalli spent the 2006 season as an assistant at Castleton State College in a similar capacity, including working with the Spartan goalkeepers. That season, CSC keepers finished with 150 saves and five shutouts.

Maravalli has also been a coach with the Rutland County Soccer Club and at the SoccerPlus Goalkeeper School. He also spent time as assistant director at SPGS, which is regarded as the top goalkeeping school in the country and is run by former U.S. National Team coach Tony DiCicco.

Maravalli earned his undergraduate degree from Castleton State in 2007, where he completed his major in English with a minor in film studies. He began his collegiate career at Hobart College. He was a two-year letterwinner on the nationally-ranked men’s soccer team and earned a training contract with Grecia FC and FC Zapotal of the Costa Rica 2nd Division professional league in 2004. He has played keeper for Addison United of the Vermont Amateur Soccer League and with the Vermont Voltage of the Professional Development League.

Maravalli holds an NSCAA regional diploma and national goalkeeping diploma. He also has a USSF ‘D’ license and ‘Level 2’ goalkeeping license.

VOLUNTEER ASSISTANT COACH ■ 1ST SEASON ■ STANFORD, 2004

Brittany Oliveira has joined the Milwaukee coaching staff this season as a volunteer assistant, following two successful seasons on the staff of the UNLV women’s soccer program. In addition to assisting the Panthers, she also serves as a staff coach with FC Milwaukee.

At UNLV, Oliveira helped the squad to a league tournament title in 2006 and league regular season crown in 2007. The Rebels advanced to the NCAA Tournament in 2006.

Oliveira began her coaching career at Northwestern, where she spent two seasons as an assistant. At Northwestern, she was involved in all aspects of the program, including training, game preparation, recruiting and fundraising.

She also has extensive experience at the club level, coaching for the U13 and U14 girls teams for Team Evanston Soccer Club while at Northwestern. Oliveira is currently a Region 2 ODP 1991 age group coach, while at UNLV she also served as the Nevada ODP State Team Coach and head coach for the Neusport Football Club.

She was a standout player at Stanford, helping the Cardinal to four straight NCAA appearances. Oliveira appeared in 84 matches during her collegiate career, starting 33 times, and finished with 12 goals and 10 assists. Her senior season, she posted four goals on the way to earning honorable mention all-conference honors.

Oliveira received her bachelor of arts degree in American studies from Stanford in 2004.

ATHLETIC TRAINER ■ 19TH SEASON ■ MILWAUKEE, 1988

Becky Worman is in her 19th season as an assistant athletic trainer with the Milwaukee Athletic Department.

“We are very fortunate to have a trainer like Becky,” head coach Michael Moynihan said. “She is dedicated and brings a soccer background to her job. She carries that understanding into her work and that helps tremendously.”

Worman attended UWM and was a three-year letterwinner for the soccer team, graduating in 1988. In 1984, she tallied a school-record six goals in a game against Beloit. Her six goals in one game is tied for third-best in NCAA History. In 1985, she garnered All-American Second Team honors. While a member of the soccer team, she also served as the team’s student athletic trainer.

90's The 2008 freshmen is the first class to feature players born in the **90's**. Of the eight incoming freshman, four were born in 1989, four in 1990.

16 Wisconsin has supplied the most Panthers, as **16** hail from inside the state. There are 4 players from Illinois, the only other state represented by more than one player.

15 At 5-11, Sarah Hagen will be the tallest player to play for the Panthers in **15** years. Hagen and Nichole Schmidt (1991-93) are the tallest players in the program's Division I history.

11 Of the 23 players that answered the question "Who is your favorite super hero?"; Batman was the most popular choice with **11**. The second-most popular hero was Superman (5). Seven different heroes received one vote.

8's Kelly McGrath's birthday is Aug. 8, 1988 (**8/8/88**). This summer, she celebrated her 20th birthday (**08/08/08**).

3, 0 The Panthers' roster features **3** twins — Jodi Klagos, Kayla DeJardin and Laurel Ragalie. Of the three, **0** have twin sisters (all fraternal brothers).

2 **2** Panthers were born outside of the United States—Keara Thompson (Canada) and Andrea Wisniewski (Germany)

2nd Keara Thompson will be the **2nd** Canadian to play for the Panthers (Janice McGann, 2002-05)

1, 0 There is just **1** Panther with **0** siblings. Sarah Hagen is the team's lone only child.

Coming off back-to-back trips to the NCAA Tournament, the bar was set high for the Panthers. They did not waver from the challenge, posting a perfect 2-0 record at the Milwaukee Cup for the second-straight season and winning their first tourney title in the eight years of the event.

Milwaukee topped Indiana State, 3-0, in the season-opener and followed it up with a 2-1 win over Washington.

A week later, the UWM offense sputtered at the Wisconsin Soccer Classic in Madison. The Panthers fell to Boston University, 1-0, before outlasting UC Santa Barbara through two overtimes for a 1-0 win. Freshman Nicole Sperl tallied the game-winner in the 105th minute, combining with sophomore Erin Kreuser for the second time in three games.

In fact, it was Kreuser's third-straight assist on a UWM goal—a streak that would span every team goal scored over eight-plus games.

Unfortunately, a September trip to Boston, Mass., yielded no goals as Milwaukee lost back-to-back games for the first time in two years. On Friday of the weekend trip, the Panthers fell to No. 8 Boston College, 1-0. Two days later, a 23-8 shot advantage was not enough as Harvard beat UWM by another 1-0 score.

In-state foes welcomed the Panthers back to Wisconsin, and they responded with a win and a tie. First, Kreuser scored the game's lone goal in a 1-0 win at Wisconsin. It was Milwaukee's second-straight win over the Badgers.

Back at home, No. 24 Marquette and a locally-televised showdown awaited UWM. It battled through two overtimes for a 0-0 draw with the Golden Eagles, who had been averaging just under three goals per game.

Junior keeper Erin Kane was a rock in goal, collecting seven saves in the match, including a handful of highlight stops. The clean sheet also made her the first player in school or league history to tally 30 career shutouts.

With the non-league portion of its schedule nearly complete, Milwaukee embarked on its defense

ERIN KREUSER

of seven-straight Horizon League regular season titles. The league slate got off to a phenomenal start, a 5-1 win at Butler. Kreuser scored and assisted on the first two goals, while senior Joanna Severson scored two goals of her own. The Bulldogs' lone goal was a penalty kick in the second half.

On the second half of the road trip at Detroit, goals were at more of a premium. The Panthers and Titans played to a scoreless draw.

The team's third 0-0 tie of the season awaited a week later, but not before the Panthers reaffirmed they could score goals at Green Bay mid-week. UWM traveled I-43 north and trounced the Phoenix, 4-0, behind sophomore Green Bay-native Kayla DeJardin's first two collegiate goals.

After a 0-0 tie with Iowa in a break from league play, Milwaukee held on to win against Youngstown State, 2-1, in a Sunday afternoon contest. Freshman Heather Roadhouse provided the game-winner off an assist from high school teammate freshman Nicole Hirsch.

A 2-0 win at Valparaiso led into a showdown with Loyola for first place in the league standings. The Ramblers, picked second in the league preseason poll, were one point back of UWM (13-12), but still undefeated at 4-0. Junior Sarah Teegarden got the scoring started just before halftime, but Loyola knotted the score at 1-1 in the 63rd minute. Eight minutes later, senior Pam Shipway converted a Sperl pass into the deciding goal.

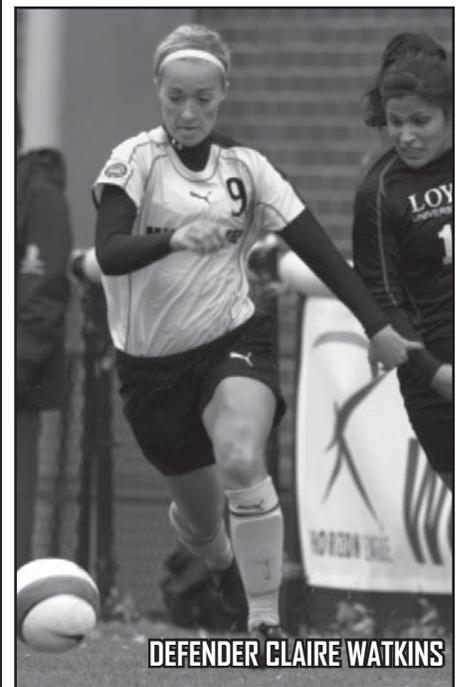

Six different Panthers then scored in a 6-0 rout of Cleveland State at home to open the final week-end of league play. Coming out of halftime with a 1-0 lead, sophomore Kate Megna kicked off a five-goal half just 37 seconds into the period.

On Sunday, Milwaukee said goodbye to four seniors, then treated them to a 2-0 win over Wright State. The win, secured with goals from Megna and Teegarden, gave the Panthers their eighth-straight league title, the second-longest streak in the nation.

In preparation for the league tournament, UWM headed to Texas for a showdown with second-ranked Texas A&M. The Aggies, with help from a hostile crowd of over 3,000, overwhelmed the Panthers in a 6-1 win. Shipway scored Milwaukee's only goal, breaking through late off assists from Kreuser and Megna.

UWM returned home and the defense returned to form in a 1-0 win over Cleveland State in the league quarterfinals. The Panthers shut out the Vikings on the scoreboard as well as in the shot column. It was the team's first game without allowing a shot since exactly two years earlier, also against CSU in the league quarters.

Individually, Kane collected her 37th career win in goal, breaking Kerri St. Aubin's school-record career win total of 36.

DEFENDER CLAIRE WATKINS

An improved Butler squad was next up for Milwaukee in the semifinals. The Bulldogs actually took a 1-0 lead late in the second half, but Shipway evened the score just five minutes later to force overtime. Teegarden ended the game in the 108th minute when she scored off a rebounded corner kick.

The win propelled the Panthers into their league-record ninth championship game appearance. They were set to host second-seeded Loyola at Engelmann Field.

Everything appeared to be headed in Milwaukee's favor as Hirsch and sophomore Louise Vraney assisted freshman Sarah Talbert for the game's first

goal in the 60th minute. Four minutes later, Hirsch scored a goal of her own for a 2-0 Panther lead late in the match.

SARAH TALBERT

But, the Ramblers would not go away, tying the game with goals in the 77th and 82nd minutes. The game then went into overtime, after which the game remained knotted at 2-2.

For the second time in three seasons, Milwaukee faced a penalty kick shootout in the league championship game. It was the team's fifth shootout in that time, with UWM escaping victorious in each of the previous four.

It was not meant to be this time, however, as Loyola emerged on top in sudden death PK's, 3-2. Days later, the Panthers' season came to an end as a second-straight at-large bid to the NCAA Tournament eluded their grasp.

9-TIME HORIZON LEAGUE CHAMPIONS

Celebrating its 30th anniversary in 2008-09, the Horizon League continues to aspire toward its goal of being one of the nation's leading athletics conferences while being recognized as a leader in the development of student-athletes as leaders and role models.

The Horizon League membership features 10 public and private institutions that have impressive academic reputations and a storied tradition of broad-based athletic programs. Current membership includes Butler University, Cleveland State University, the University of Detroit Mercy, the University of Illinois at Chicago, Loyola University Chicago, Valparaiso University, the University of Wisconsin-Green Bay, the University of Wisconsin-Milwaukee, Wright State University and Youngstown State University.

The Horizon League's primary focus is on adding value to the educational experience through its four platforms of athletic performance, academic achievement, community outreach, and personal responsibility and accountability. It is the League's belief that athletics is a powerful and visible resource tool that can be used to enhance student-athletes' collegiate experience. The Horizon League's goals are to enhance the holistic university experience for the student-athlete, to create an affiliation of institutions with similar athletic

goals, and to adhere to the principals of integrity, diversity, excellence and growth.

The Horizon League sponsors competition in 19 sports – nine for men (baseball, basketball, cross country, golf, soccer, swimming and diving, indoor track and field, outdoor track and field and tennis) and 10 for women (basketball, cross country, golf, soccer, softball, swimming and diving, indoor track and field, outdoor track and field, tennis and volleyball).

In all sports, all teams participate in their respective postseason League championships regardless of regular-season performance, allowing all student-athletes an opportunity to qualify for NCAA championships. The League receives automatic bids to NCAA championships in baseball, men's and women's basketball, men's golf, men's and women's soccer, softball, men's and women's tennis, and women's volleyball.

The Horizon League is headquartered in Indianapolis, the "Amateur Sports Capital of the World," with offices in the Pan American Plaza (201 S. Capitol Avenue), located across the street from the RCA Dome and just blocks from Conseco Fieldhouse, the State Capitol Building and the NCAA national office.

• HISTORY

Founded on June 16, 1979 as the Midwestern City Conference with six charter members, the League changed its name to the Midwestern Collegiate Conference in 1985 and added women's sports for the 1986-87 academic year.

Charter members of the conference included current members Butler and Loyola as well as the University of Evansville, Oklahoma City University, Oral Roberts University and Xavier University. Among other current members, Detroit joined in 1980 and Cleveland State, UIC, Green Bay, Milwaukee and Wright State came aboard in 1994 in the largest non-merger conference expansion in history. Youngstown State joined the League in 2001

and Valparaiso followed in 2007.

• ATHLETIC SUCCESS

In the past few years, the Horizon League has enjoyed unprecedented success on the national stage, highlighted by three Sweet 16 appearances (Butler 2003, 2007; Milwaukee 2005) and eight wins in the NCAA Men's Basketball Championship in the past five seasons. In other sports, League teams have won at least one game in their respective NCAA Championships each of the last six seasons in men's soccer (Milwaukee 2002-05, UIC 2006-07), with UIC just one win away from the College Cup in 2007.

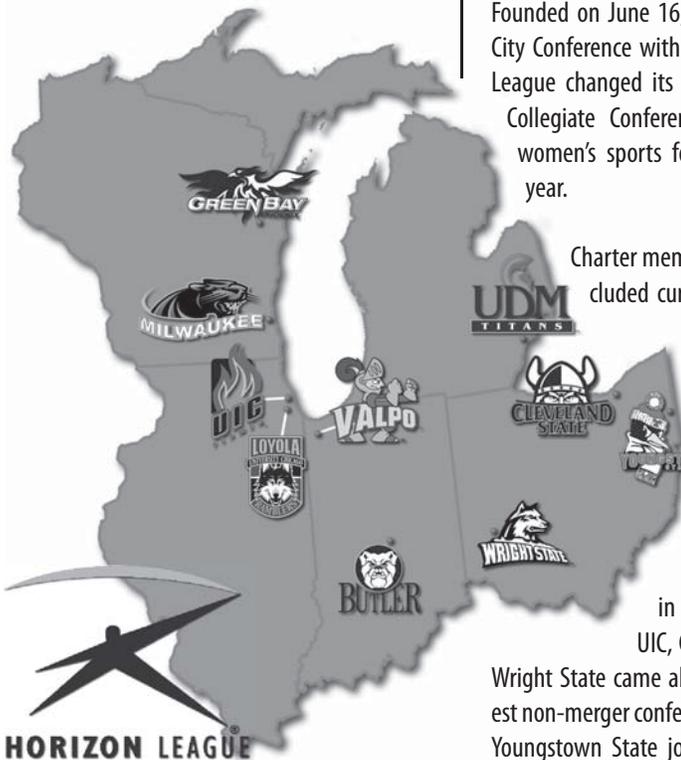

In softball, League teams won a game in the national tournament four-straight years earlier in the decade (UIC 2002, 2004; Wright State 2003; Green Bay 2005), while advancing into the second round in women's soccer three of the last four (Detroit 2004, Milwaukee 2005-06). Green Bay's women's basketball team added to that resume with a victory in the 2007 NCAA Women's Basketball Championship. Butler's Victoria Mitchell became the League's first NCAA individual champion when she won the 3,000-meter steeplechase at the 2005 NCAA Outdoor Track and Field Championships and then finished fourth at the 2005 NCAA Cross Country Championships.

• ACADEMIC SUCCESS

Horizon League student-athletes also excel in the classroom as more than 500 have been named to the Academic Honor Roll each of the past seven semesters for carrying a grade-point average of 3.2 or better, including more than 600 for the fall 2007 and spring 2008 semesters. Forty-eight student-athletes were named to ESPN The Magazine/CoSIDA Academic All-District teams in 2006-07 and 14 earned Academic All-America honors, including a pair of first-team selections.

• DEMOGRAPHICS

Horizon League institutions boast a combined enrollment of more than 130,000 plus more than 700,000 living alumni centered in the League's Midwest footprint. League media markets include five of the nation's top 35 in Chicago, Detroit, Cleveland, Indianapolis and Milwaukee, covering more than ten million television households and encompassing more than nine percent of the nation's television audience.

LISA KRZYKOWSKI

1994-97 • Retired: 2000

Perhaps the greatest women's soccer player ever at the University of Wisconsin-Milwaukee, Lisa Krzykowski added the honor of Hall of Fame inductee to her vast collection of awards on April 28, 2004.

The first women's soccer alumna to earn the honor, Krzykowski was a member of the Panther squad from 1994-97, including the 1997 team that went to the NCAA tournament. She ended her illustrious career as UWM's all-time leading scorer with 140 points, including school records of 57 goals and 26 assists. She still holds school records for goals scored in a season (16 in 1995 and 1997), assists in a season (12 in 1996), points in a season (38 in 1996 and 1997) and assists in a game (5 on Oct. 18, 1996).

"We were very fortunate to have a player like Lisa Krzykowski in our program," said UWM coach Michael Moynihan. "While our most gifted athlete, Lisa was also our hardest worker. She elevated our program to a higher level and has helped us keep it there by setting an example for all who followed.

"She rewrote our record books and as a student, an athlete and a person, Lisa represented UWM with the highest standards, and her contributions will live on forever."

The Cedarburg native received numerous accolades in recognition of her outstanding athletic performances. She was selected to NSCAA All-West Region team as a freshman (1994), as well as the NSCAA and Soccer Buzz All-Great Lakes Region first team (1995 and 1997) and NSCAA All-Great Lakes Region Second Team (1996). Twice named the MCC Player of the Year (1995 and 1997), Krzykowski was a three-time first-team all-conference member (1995, 1996 and 1997), the MCC Tournament MVP (1995) and she earned spots on the MCC All-Newcomer team and All-MCC second team in 1994.

On Oct. 14, 2000, she became just the second athlete to have their number retired in any sport in school history, when the Panthers retired her No. 21 jersey. Krzykowski remains one of just three people in UWM history to have their numbers retired.

Upon leaving UWM, Krzykowski became the first woman from the state of Wisconsin to play professional soccer, competing for both the Atlanta Beat and San Diego Spirit of the Women's United Soccer Association (WUSA). She then continued to play with WUSA teams at festivals throughout the nation following the league's decision to suspend operations in 2004.

JOSHA KRUEGER

1994-97 • Retired: 2001

A member of the same recruiting class that produced UWM Hall of Famer Lisa Krzykowski, Josha Krueger etched her name into the Panther record books once again, having her number 22 retired by the women's soccer squad during the 2001 season.

From 1994-97 Krueger donned the black and gold becoming the only player in team history to play every minute of every game for four seasons as a key defender in Milwaukee's rise to the top of the league. With the Illinois native anchoring UWM's defense, the 1997 squad set precedents for stinginess that still stand today. Among those marks are fewest goals allowed in a season (12) and goals against average (0.60). For her efforts she was three times named to the all-region third team and All-MCC First Team (1995, '96, '97). As a freshman, Krueger earned MCC All-Newcomer team and All-MCC Second-Team honors.

The 2001 W-League Defender of the Year, Krueger has continued her soccer career since leaving Milwaukee. She has twice won W-League National Championships, first with the Chicago Cobras in 2000 and again with the Boston Renegades in 2001. Krueger became the third Panther to join the WUSA ranks, spending some time in the Carolina Courage camp in 2001.

After her playing days, Krueger spent two seasons as an assistant coach at Aurora College in Illinois.

Laura Moynihan and Susan Moynihan Award

“TAKE CARE OF MY GIRLS”

The Laura and Susan Moynihan Awards are given annually to the UWM women's soccer player who best represents the spirit of these two women in soccer. Laura's award has been awarded since 1993 and is reserved specifically for seniors on the team, while Susan's award has been awarded since 2000 and is open to any member of the team.

This mother and daughter combination both served the Wisconsin soccer community selflessly and tirelessly through years of involvement. For both, the sport of soccer involved a ball, yet the game revolved around people and helping people was their passion.

Laura Moynihan was appointed to head coach of UWM women's soccer in 1991 and Susan also joined the Panthers as an assistant coach. Unfortunately, Laura was diagnosed with cancer in her first season. While her tenure with the Panthers was brief, it marked a new age in women's soccer at the UWM. Her spirit and determination were infectious and her commitment to her players unwavering. She was a source of inspiration until her untimely death at the age of 47 in August 1992.

Not an easy task, but with a fine example to follow, Susan became head coach and immediately showed her capability. She led the Panthers from 1992-96. She is second in school history in career wins and, more importantly, ushered UWM into an era of national respectability and recognition.

Before she died, Laura left Sue with a statement specific to UWM soccer, "Take care of my girls." When Laura said this, she meant far more than establish a winning program and this is something Susan understood. Both women were of different times, but shared the same heart. The heart they shared was one of selflessness and giving.

They also gave so that others might have.

They gave so that others might learn.

They gave from the depths of their being and they gave without seeking reward or recognition.

To them soccer possessed an intrinsic and aesthetic beauty, yet there was an element to the game that altogether consumed them... the pre-

vious element of people.

When Susan inherited the program, she faced numerous obstacles and hardships; the program had never had a winning season playing D-I soccer. She faced financial constraints and she was only employed on a part time basis. In the spirit of her mother, she became a fundraiser, tutor, advisor, organizer, provider and confidant on top of her duties as head coach. This was all for her players. She even poured her own financial resources back into the program.

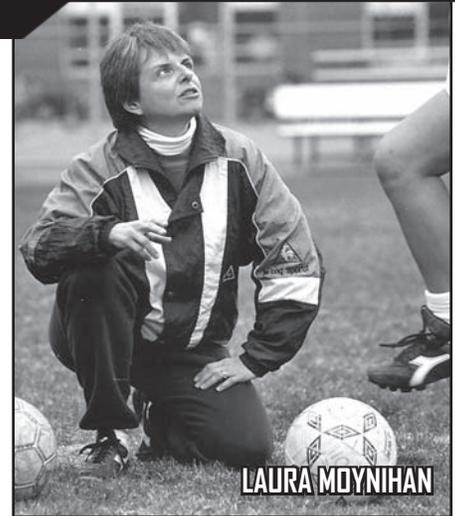

Remarkably, when she stepped down in 1997 and her sacrifices were commented upon, she replied with a puzzled smile, "People keep talking about the sacrifices I've made, but I really don't see any of it as a sacrifice. I really enjoyed doing it for the team."

In 1997, the Panthers went on to have the most successful season in school's history up to that point. Nearly every previous record was shattered and the team achieved its first ever NCAA Tournament berth. The success was inevitable, owing to the momentum that had been building under Susan's leadership. Yet, before the momentous season, she stepped aside and served in the role of assistant coach to help her successor and the program make the transition to a new head coach. The recognition and publicity were inconsequential to her; she was there to see her players in all of their glory, and that is what mattered most to her.

This selfless act sums up the UWM career of Susan Moynihan and serves as a reminder to all of the nature and true spirit of team sports.

Laura and Susan Moynihan shared the same heart, and it is in the heart that lies the spirit of these awards.

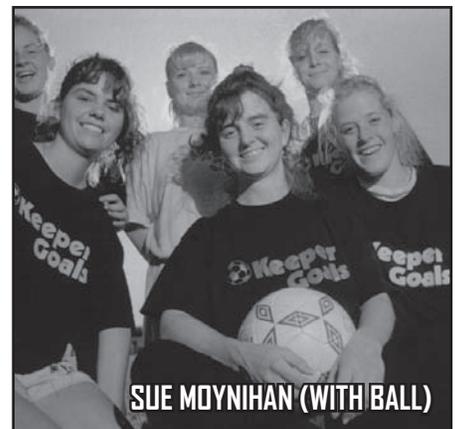

This piece was originally written by head coach Michael Moynihan, but has been updated and edited for space restraints in time. At the time of Sue's appointment at head coach, the story received national and regional attention, with stories appearing in the USA Today, Chicago Tribune, the NCAA News, Milwaukee Journal, Milwaukee Sentinel and the Capital Times in Madison.

PANTHER ALL-AMERICANS

GINNY GRACZYK • 2006

Soccer Buzz All-America Third Team

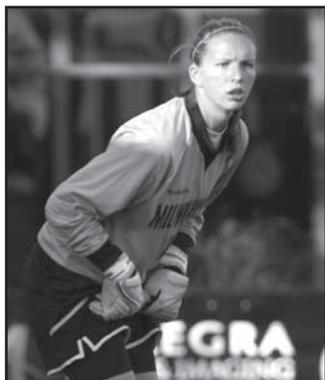

Graczyk had a decorated junior campaign in which she played every minute of every game at central defender. UWM set school records for wins, shutouts and goals against average, with all three figures among the national leaders. She also earned all-league first team honors for the third time in her career.

ERIN KANE • 2005

Soccer America Freshman All-America First Team
Soccer Buzz Freshman All-America Third Team

Kane posted one of the best seasons by a Panther keeper in team history as just a freshman. She set school records with 13 shutouts and a 0.58 goals against average. She finished 15th in the nation in GAA and established a league record for shutouts. Kane started 21 games in goal, played over 2000 minutes and was an all-league first team member and league tournament MVP. She also posted a school-record shutout streak of over 717 minutes.

SARAH TEEGARDEN • 2005

Soccer Buzz Freshman All-America Honorable Mention

Teegarden became a mainstay in the Panther midfield, starting all 22 games. She tied for the team lead in goals and tied for third in points. She tallied five goals and an assist for 11 points on the year. Two of her goals came as game-winners, as she proved to be the offensive catalyst from the midfield for Milwaukee.

BECKY WORMAN • 1985

NAIA All-America Second Team

Worman scored 13 goals and added two assists for 28 points. She scored a school all-division record of six goals against Beloit Sept. 24 in a 15-0 Panther win. In its second season as a varsity sport UWM's women's soccer team finished 5-5-2 on the year.

LEAGUE AWARDS

HORIZON LEAGUE PLAYERS OF THE YEAR

The Panthers hold several distinctions in league history, including the boasting of a league-record five Players of the Year. In 1997, Lisa Krzykowski became the first league player to earn the award twice, while Fanta Cooper remains the lone player to win the honor in back-to-back seasons. Between Cooper and Erin Blaedow, a Milwaukee player won the award in three-straight seasons, another league record.

ERIN BLAEDOW ■ 2001

Blaedow started all 20 games in leading the Panthers to a school-record 15-5 mark. She scored a team-high eight goals and finished with 17 points in leading Milwaukee to a second-straight league title, a league tournament championship and the second NCAA Tournament in team history. UWM also posted a 0.68 goals against average, while not allowing a goal to league opponents through the regular season and league tournament.

FANTA COOPER ■ 2000

In 2000, Milwaukee posted its first perfect league slate, going 5-0 on its way to the first of eight-straight league regular season championships. A senior defender on the team, Cooper collected her second-straight honor after anchoring the team's defense and adding two assists on the offensive end. She would end her career having started every team game from 1997-00.

FANTA COOPER ■ 1999

Cooper spent time both in the midfield and as defender for the 1999 Panthers, earning the first of back-to-back player of the year awards. She finished as the team's leading scorer with 12 points on five goals and two assists, despite having just a goal and assist at the end of the regular season. The Oklahoma native tallied four goals and an assist in three league tournament games to lead Milwaukee to its third league title game. UWM came within a penalty kick shootout of its second NCAA Tournament.

LISA KRZYKOWSKI ■ 1997

Krzykowski was the centerpiece of the most explosive offense in school history. In 1997, she led the league with 16 goals and 38 points and guided Milwaukee to a 4-0-1 league mark and its first NCAA Tournament after a league tournament title. As a team, the Panthers scored a school-record 62 goals with a record 50 assists. UWM did not slack on defense, yielding just 12 goals. Krzykowski tied her own school records for goals and points in a season and tied another record with four goals in a game. The senior season capped a career where she scored more goals than any other player in school or league history, as well as setting school records for career assists and points.

LISA KRZYKOWSKI ■ 1995

After a standout freshman campaign where she scored 12 goals and 27 points, Krzykowski truly broke out as a sophomore. She set school records with 16 goals and 37 points and tallied three of her five career hat tricks that season. Despite a 3-3 conference mark, Milwaukee advanced to the first MCC Championship game in school history in just its second season in the conference.

The Panthers of 2006 got off to a lightning quick start, using a school-record winning streak to sit at 16-2-1 on the year heading into the Horizon League Semifinals.

That stretch included a win over No. 16 Missouri, a near upset of No. 1 Portland and an unblemished 7-0 league mark. UWM swept Marquette, Green Bay and Wisconsin in the same season for the first time ever.

Milwaukee was dominant in tying a school record by playing 13 games without a loss. Eleven of those games were shutouts, including a school record-tying six-straight at one point.

UWM stumbled a bit in the post-season, falling to Detroit in a physical league semifinal match, 1-0. On the strength of the first at-large bid into the NCAA Tourney in team history, Milwaukee regained its footing and eliminated Michigan in a penalty kick shootout in the first round.

Facing No. 1 Notre Dame in the second round, the Panthers held their own. Despite surrendering an early goal, UWM held the Irish to one of their worst offensive showings of the season, well below average in goals and shots.

Youth paced the offense, while experience anchored a nationally-ranked defense. Four underclassman topped the 10-point mark, led by freshman Louise Vraney. Sarah Teegaren tied a school record with five game-winning goals.

On defense, Ginny Graczyk led a back line that featured three upperclassman and was named an All-American. Erin Kane was once again a rock in goal, breaking her own school GAA record and tying her shutout mark.

The Panthers streaked into the NCAA Tournament in 2005, pushing its school-record unbeaten streak to 13 games (10-0-3) by getting to the second round.

After a 4-0 loss at Wisconsin, Milwaukee would not lose again for almost two months, shutting out 10 opponents and six-straight at one point. The shutout streak of 717:10 is the 14th-best in NCAA Division I history.

It seems appropriate the streak encompassed the entire league schedule (6-0-1) and all three games of the league tourney, where the Panthers prevailed over Detroit in the title game.

UWM headed across town for its third-straight NCAA Tourney trip, facing Purdue of the Big Ten. Neither team scored through two overtimes and Erin Kane came up with two saves in a shootout to send the Panthers into the second round for the first time in school history.

Once there, they found a familiar foe in Marquette. The Golden Eagles, now ranked 17th nationally, scored the game-winner with just 20 seconds remaining to advance to the next round.

Kane had a standout rookie season, as she set a school record with a 0.58 goals against average. She also set a school and league record with 13 shutouts, a figure that ranked second in the nation.

Four Panthers topped 10 points, led by Jodi Klagos and Amanda Winn with 12 points apiece. Katie Champion finished with 11, as did Sarah Teegarden, who tied Klagos with a team-high five goals.

SCHOOL RECORDS

- Five Ties (tied)

In winning a second-straight Horizon League title, the 2002 Panthers had to overcome an 1-4-1 start.

The response was tremendous, as UWM would lose just one more time over its next 15 games (10-1-4). The span kicked off with a school-record five-straight shutouts and featured ties with Big Ten foes Minnesota (2-2) and Northwestern (1-1) as well as crosstown rival Marquette (1-1).

In league play, Milwaukee pushed its league unbeaten streak to 17 games with a 6-0-1 mark. The only blemish came in a 2-2 tie to Loyola. That match also ended UWM's 884:33 league scoreless streak, one which included nine-straight shutouts by the UWM defense.

The Panthers would go on to win a second-straight league tourney, this time doing so on their home field. In the semifinals, they topped Wright State, 3-2, at Uihlein Field. Then, playing in the first women's title game in Engelmann Field history, UWM topped Butler for the second-straight year,

this time 4-2.

For the second-straight season, Milwaukee was sent across town to Valley Field, drawing No. 5 Pepperdine. Playing in snow and ice, the Waves scored a goal in the final minutes of each half for the 2-0 win.

Statistically, Elizabeth Chudy and Maggie Suminski each topped the 15-point mark, with Chudy scoring a team-best 19 points in her first season. Suminski, meanwhile, racked up more assists than any Panther since 1997 (10) on her way to 16 points.

In the nets, freshman Molly Schneider and senior Mary Duffy split time. Schneider snagged all-league first team honors with a 6-2-4 record and 0.92 goals against average. Duffy boasted a 0.87 GAA on her way to a 5-4-1 record and had the team's lone shutout. The pair would combine on a 0.90 GAA and seven shutouts.

The Panthers got the 2001 season off to an inauspicious start, sitting 0-2 and being outscored 6-1 after the first weekend of the season.

Milwaukee responded with a school-record nine-game winning streak, allowing just two goals in that time. In all, UWM would yield just seven more goals in the regular season and enter the league tournament at 13-4.

The Panthers had two different streaks of four-straight shutouts, tying a school mark. Those clean sheets would add up, as the squad eclipsed the school mark of 12 shutouts set by the 1997 team.

In league play, UWM's success continued, as posted a second-straight perfect league record (6-0). The Panthers also posted just the second scoreless league season in school history, outscoring league foes 16-0.

Once Milwaukee reached the league tournament, it was more of the same. The Panthers defeated host Detroit, 2-0, in the semifinals and came away the 1-0 victors in the title game vs. Butler.

That championship game remains the third-longest game in school history, as Kristin Coburn tallied the game-winner in the third overtime.

Facing Dartmouth across town at Marquette's Valley Field, UWM and the Ivy League champs engaged in a defensive struggle. In a match that featured just 12 total shots, the Big Green tallied the game-winner in the 112th minute.

In goal, Kerri St. Aubin started all 20 games and tallied six solo shutouts on her way to a school record 0.63 goals against average.

While defense was the key to the team's success, the offense was no slouch. Led by three players with seven-or-more goals, Milwaukee finished with 39 scores. Erin Blaedow garnered league player of the year honors with a team-high eight goals.

The 1997 squad got off to a 7-0-2 start, a stretch that would be indicative of the team's all-around strengths. It outscored opponents 34-3 over the first nine games, including a record-breaking 16-0 win over Western Illinois.

That match established school records for goals (16), assists (13) and shots (59). UWM also did not allow a shot in the match, the first time the team had ever accomplished the feat.

In their next match, the Panthers played No. 21 Minnesota to a 2-2 draw, an opponent they would see in the NCAA Tournament.

Milwaukee won the Midwestern Collegiate Conference regular season crown with a 4-0-1 record and advanced through the MCC Tournament. After a bye into the semifinals, UWM topped Wright State, 4-0, and tied Butler, 1-1, after four

overtimes, the longest game in school history. The Panthers won the tourney title on PKs, 5-4, and advanced to their first NCAA Tournament.

Once again facing the Gophers, this time ranked 11th in the country, UWM jumped out to a 1-0 lead on a goal from MCC Player of the Year Lisa Krzykowski. The U of M then scored a pair of unanswered goals for the 2-1 win. Goalkeeper Kathy Hoverman was called on to make 10 saves for Milwaukee in the match.

The team dominated on both sides of the ball, scoring a school-record 60 goals with records of 50 assists and 431 shots. On the defensive end, UWM allowed a record 0.55 goals against average and a then-record 12 shutouts.

Individually, Krzykowski tied her own school records with 16 goals and 38 points. Meanwhile, Polson tied another record with 12 assists. In the nets, Hoverman broke her own school GAA mark by almost 0.36 goals.

Welcome to the University of Wisconsin-Milwaukee

9-TIME HORIZON LEAGUE CHAMPIONS

LOCATION/ENVIRONMENT

UWM's 93-acre campus is located on Milwaukee's upper East Side, one of the city's most attractive residential areas and home to many faculty, staff and students. The campus lies just five blocks from the beautiful shoreline of Lake Michigan.

Its location in the business, financial, cultural and industrial heart of the state gives students an edge in getting professional experience while still in school.

The compact campus is situated along residential tree-lined streets and stately homes 10 minutes from downtown. UWM is ranked as the second safest campus in Wisconsin.

HISTORY

Originally founded in 1885 as the Milwaukee State Normal School, the school expanded its curriculum in 1927 to become the Milwaukee State Teachers College. In 1951, it became Wisconsin State College-Milwaukee, and in 1956, UW-Milwaukee was created with a merger of the State College and the University of Wisconsin Extension Center in Milwaukee

UWM TODAY

UWM has an enrollment of more than 25,000 students, the second largest in

the state. The university boasts 120 undergraduate majors and submajors, 48 masters and 17 doctoral degree programs.

They are separated into the following schools and colleges:

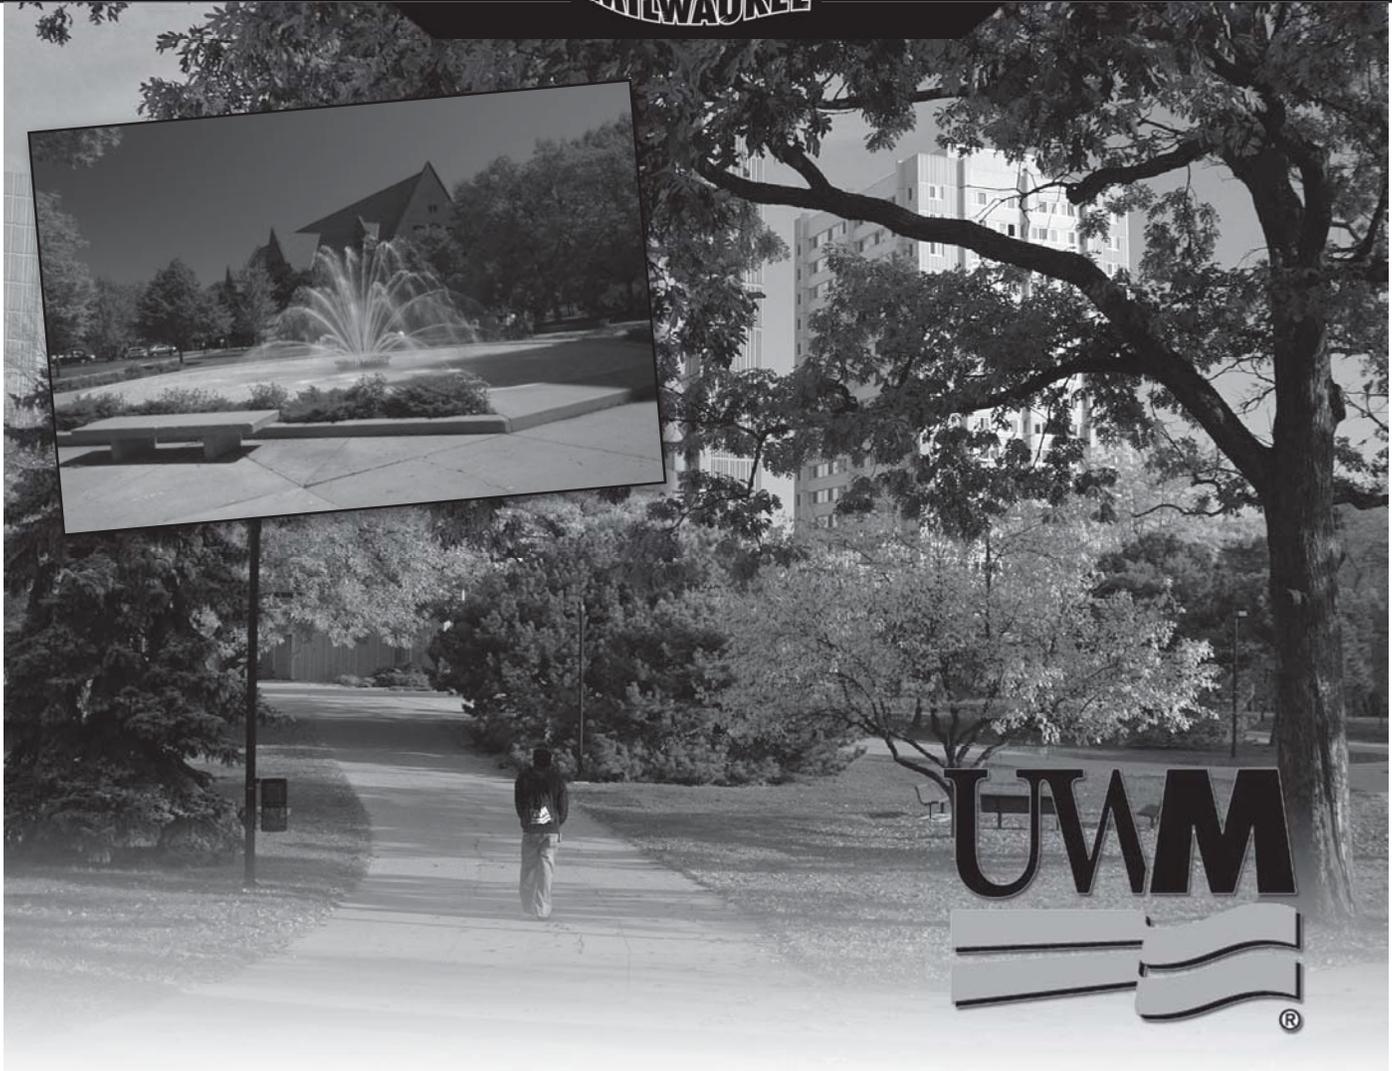

- Allied Health Professions
- The Arts
- Architecture and Urban Planning
- Education
- Business Administration
- Nursing
- Engineering & Applied Science
- Social Welfare
- Library & Information Science
- Letters & Science

FACULTY

With a distinguished faculty of more than 1,300, UWM is listed among the top 100 public institutions in the nation in research and development expenditures. UWM's individual schools and colleges have achieved national recognition, as well as top accreditation, by their review groups.

AREAS OF EXCELLENCE

UWM has nine University System Centers of Excellence, areas of the university that have received special recognition from the UW System Board of Regents

5 NCAA TOURNAMENTS

for outstanding achievements in diverse area of instruction, scholarship, research and performance.

- School of Architecture and Urban Planning
 - Center for Business Competitiveness
 - Institute of Chamber Music
 - Center for Great Lakes Studies
- Professional Theatre Training Program
 - Laboratory for Surface Studies
 - Center for Teacher Education
- Center for Twentieth-Century Studies
 - Women's Studies Consortium

AMONG THE BEST

UWM is one of 148 U.S. colleges and universities (from a total of 3,600) ranked by the Carnegie Foundation in the top group called Doctoral/Research Universities - Extensive.

ALUMNI

65 percent of alumni remain in Southeastern Wisconsin and include many of Milwaukee's business, cultural and community leaders. More than 100,000 UWM grads live in all 50 states and abroad.

Among UWM's many distinguished graduates are Golda Meir (Education '17),

the former prime minister of Israel, for whom the UWM library is named. Other distinguished grads include Ben Marcus, founder of the Marcus Corporation, and Robert A. Uihlein Jr., the former president, chairman and CEO of Schlitz Brewing

Notable graduates in the sports world include the late NASCAR champion Alan Kulwicki (Mechanical Engineering '77) and former NFL All-Pro defensive back Mike Reinfeldt (Business '75), vice president and chief financial officer of the Seattle Seahawks of the National Football League. Reinfeldt previously worked for the Green Bay Packers. NFL referee Bill Carollo, who officiated the 2003 Super Bowl, is also a UWM grad.

U.S. World Cup standout and Major League Soccer star Tony Sanneh also attended UWM, as did Illinois men's basketball coach Bruce Weber.

Milwaukee, The Genuine American City, is steeped in tradition and history, alive in growth and development. From the sparkling clean water of Lake Michigan, to the rich heritage of our ethnic neighborhoods, Milwaukee invites you to discover its unique, diverse community.

Heralded as "The City of Festivals," Milwaukee hosts more than 15 annual festivals, including the world's largest music festival, Summerfest, and over a dozen ethnic festivals all held along Milwaukee's spectacular lakefront.

The RiverWalk, which meanders through the heart of downtown, recently received a \$13 million facelift, and development continues to the north and south. Fine food, cultural venues, eclectic shops, exciting nightlife and a wide array of distinctive sports bars are located along the RiverWalk. Also prevalent along the RiverWalk are many brewpubs and microbreweries. Gondolas and water taxis frequently travel Milwaukee's scenic RiverWalk area.

The Historic Third Ward is quickly becoming the "off-Broadway" of Milwaukee's arts scene. It is home to the new Broadway Theatre Center as well as another, smaller, experimental theatre. In addition, this restored warehouse district features a number of art galleries, the well-regarded Milwaukee Institute of Art and Design, coffee houses, cafes, and antique stores. An abundance of new housing in the form of loft-style apartments and condominiums are also becoming a part of the landscape in the Historic Third Ward.

Milwaukee's museum scene is also active. The Milwaukee Art Museum has wrapped up a \$100 million expansion featuring a dramatic wing-like sculpture rising high above Milwaukee's lakefront. The Milwaukee Public Museum is in the midst of a \$6.5 million project establishing a permanent interpretation of "Butterflies Alive!," the museum's most successful exhibit ever. The Milwaukee County Zoo is well-known as one of the finest in the nation.

9-TIME HORIZON LEAGUE CHAMPIONS

Milwaukee also loves its sports. The city put its stamp on Major League Baseball with the arrival of Miller Park in the spring of 2001. The \$400 million, one-of-a-kind ballpark features a convertible roof and natural grass. Offering the finest in ballpark amenities, Miller Park is a park within a park - that is, it includes places to tailgate along the Menomonee River, a sports-themed restaurant, and an elegantly finished restaurant, the .300 Club. Miller Park also played host the Major League All-Star Game in 2002.

Two of the city's other professional sports teams, including the NBA's Milwaukee Bucks, play at the downtown Bradley Center. In addition, the U.S. Cellular Arena downtown is now the home of the UWM men's basketball team, as well as the Milwaukee Wave of the Major Indoor Soccer League. The arena has undergone major renovations and also hosts a number of concerts and other special events.

The Milwaukee Mile, an auto racing track located at State Fair Park, is home to a NASCAR Busch Series and an Indy Racing League event, added just this year. Plus, the sports landscape also includes an annual PGA event and one of the best county park systems in the nation.

Milwaukee is also a tourist and business destination for travelers around the state and nation. The Midwest Express Center downtown serves as the city's main convention center, and draws groups from around the world to host their annual activities in Milwaukee.

Milwaukee is also easy to get to, located at the intersections of interstates 94 and 43. Milwaukee's General Mitchell International Airport has nearly 20 airlines and over 500 daily departures and arrivals, and Amtrak runs daily non-stop trains to Chicago.

UWM ATHLETICS - A WINNING WAY

The University of Wisconsin-Milwaukee has moved itself into a prominent position both regionally and nationally in the world of intercollegiate athletics.

In fact, UWM has consistently shown it is the top athletic program in the Horizon League. The school has won the league's McCafferty Trophy four times in the last eight years, including a stretch of three-straight victories from 2003-04 to 2005-06. UWM has also won the women's all-sports awards seven times and the men's all-sports award three times.

The 2007-08 school year was another banner one for Panther sports. In the fall, UWM's volleyball and women's soccer teams each claimed Horizon League regular season titles. Then, later in the year, the men's track and field team captured both the indoor and outdoor league titles, bringing to 30 the number of team track league titles UWM has won since 1998. Plus, the women's track and field team finished second both indoor and outdoor while the baseball team advanced all the way to the title game of the league baseball tournament.

But the 2007-08 season was far from the first successful one for Panther athletics. In 2006-07, UWM teams won seven league titles while a number of individuals also claimed league crowns. The success started in the fall as both the women's soccer and women's volleyball teams won the league regular season crown, with the volleyball squad also capturing the league tourney title. Both teams advanced to the NCAA Tournament, where the women's soccer team moved to the second round for the second-straight season. UWM also swept the track and field titles, with both the men and the women claiming indoor and outdoor championships.

In 2005-06, UWM saw both of its soccer teams win league titles and advance to the second round of the NCAA Tournament, while the men's and women's basketball teams also played in the NCAA Tourney. The men again caught the eyes of the nation with a win over Oklahoma in the first round before being eliminated by eventual national champion Florida in the second round.

The men's basketball team also helped put UWM

athletics on the national map in 2004-05. UWM pulled off upset wins over Alabama and Boston College to advance to the Sweet 16 of the NCAA Tournament. The Panthers were eventually eliminated from the tournament by national runner-up Illinois, but UWM had already captured the hearts and minds of the nation's college basketball fans.

You have to go even further back to find the true start of the great run of success at UWM. In the 2002-03 season, UWM won five league titles and sent four teams to NCAA Tournament play. The Panther men's soccer team was ranked as high as eighth in the nation and the men's basketball team made its first NCAA Tournament appearance. UWM's first McCafferty Trophy came after the Panthers won nine league titles in the 2000-01 school year.

UWM student-athletes have also become known for their work in the classroom. This past spring, 70 student-athletes were named to the Horizon League Academic Honor Roll. UWM student-athletes also regularly appear on the league's academic all-league teams and the cumulative grade-point average for the athletic department consistently is above 3.0, with a 3.172 cumulative GPA the mark as of this past June.

Quality facilities are also a part of the athletic scene at UWM. The new Pavilion, an addition to the Klotsche Center, opened in January of 2006 and now houses all of the athletics offices, as well as new locker rooms, team rooms, training rooms, weight rooms and an academic center. The facility, which also includes a tremendous amount of space for the general student population, rates as one of the best athletic office and workout facilities in the Horizon League.

The project also included a renovation of the 5,000-seat Klotsche Center, which is home to the women's volleyball, women's basketball and track and field teams. The facility now has air conditioning and a new sound system, as well as two new concession stands. Plus, with it standing adjacent to the new Pavilion, fans attending events can park in the Pavilion's new parking garage and attend events without ever stepping outside. The swimming and diving teams have their own pool in the Klotsche Center, located on the lower level.

UWM's men's basketball team has played at the U.S. Cellular Arena in downtown Milwaukee since the 2003 Horizon League Tournament. The move downtown has been a successful one, with attendance records set each season the Panthers have

played in the historic building.

Meanwhile, UWM's other recent facility improvements have come at the soccer and baseball fields. On-campus Engelmann Field, home of the Panther soccer teams, is reknowned to be one of the best collegiate soccer facilities in the country. Lights were been added to the field last summer, and a new team room has also been developed. The baseball team plays at Henry Aaron Field and also plays a doubleheader annually at Miller Park. Extensive work on the field, fencing and dugouts has been completed over the last few years, with a new scoreboard put in place this past spring.

Athletics has a long history at UWM. Some sports records date back to the late 1800's and UWM fielded a football team until 1974. UWM has played on all levels of NCAA competition, including stints as a Division II and Division III institution along with its current run in Division I. UWM athletics also spent some years in NAIA competition. The school's athletic teams have also competed in the Wisconsin state school league for a number of years, while competing in the Mid-Continent Conference and Midwestern Collegiate Conference/Horizon League since moving all of its varsity sports to Division I in the fall of 1990.

CARLOS SANTIAGO

CHANCELLOR

Carlos E. Santiago is beginning his fifth academic year as the Chancellor of the University of Wisconsin-Milwaukee.

Santiago is UWM's seventh Chancellor. In this position, he is the chief administrative officer of the university and a partner with a great number of constituents on and off campus.

Chancellor Santiago also holds the academic rank of Professor of Economics at UWM. As a labor economist, he has regional expertise in the Caribbean and Central America, with special emphasis on Puerto Rico.

Cooperation and collaboration to strengthen UW-Milwaukee's research portfolio, academic excellence and diversity have been the highest priorities of Chancellor Santiago since his arrival on July 1, 2004. Among the primary results that UWM has achieved during his tenure:

- Securing a historic reinvestment by the State of Wisconsin in the university's and Southeastern Wisconsin's future, especially in the targeted areas of advanced automation, biomedical engineering, health care and freshwater science.
- Completing the record-setting Campaign for UWM, the most ambitious fundraising effort in university history.
- Developing Access to Success, the campus blueprint to enhance access to higher education while promoting greater success for all students.
- Initiating a master planning process to create a template for regional growth away from the university's extremely compressed primary campus.
- Creating the UWM Research Foundation to support research and innovation, and the UWM Real Estate Foundation to partner with the public and private sectors to develop and hold real estate for the university's benefit.

Santiago also has a strong background in working with athletics.

With the University at Albany, State University of New York, where he held the position of Provost and Vice President for Academic Affairs, Santiago was a member of its National Collegiate Athletic Association Certification Steering Committee, worked closely with the athletics department on academics and admissions-related issues, and was involved with the New York Giants annual National Football League summer training camp held at the University at Albany.

"Universities must focus on creating the scholar-athlete," Chancellor Santiago said. "Winning is nice, but first and foremost you must focus on the academics. UWM's consistent performance -- in both winning championships and placing leading numbers of students on the Horizon League's Academic Honor Roll -- demonstrates our commitment to both of these objectives."

Dr. Santiago is the author or co-author of five books focusing on labor and economic development issues, with the latest being "Puerto Ricans in the United States: A Contemporary Portrait," co-authored with Edna Acosta-Belén. He has co-edited another book and has published more than 30 articles and book reviews in a wide variety of scholarly journals.

Along with Dr. Acosta-Belén, Dr. Santiago also is a founding co-editor of the Latino Research Review and was a member of the U.S. Congressional Hispanic Caucus International Relations Advisory Group.

Dr. Santiago's wife, Azara Santiago-Rivera, is also part of the faculty at UWM. She is an associate professor of educational psychology in the School of Education.

Chancellor Santiago has a Ph.D. in economics from Cornell University ('82) and M.A. degrees in economics from Cornell University ('79) and the University of Puerto Rico ('75).

Like most other boys growing up in Puerto Rico, Dr. Santiago played baseball year-round and aspired to follow national heroes Roberto Clemente and Orlando Cepeda to Major League Baseball. Dr. Santiago played third base throughout high school and earned a place on his division's all-star team. In recent years, his sporting interests have included golf, tennis, downhill skiing, walking and jogging. He also helped coach softball teams for his daughters.

RITA CHENG PROVOST/VICE CHANCELLOR

Rita Cheng is the Provost and Vice Chancellor at UWM, a position she has held since April 2005. Cheng came to UWM in 1988 and has subsequently served the university in several high-level administrative capacities. She was the Interim Dean of the School of Continuing Education in 2004 and 2005, Associate Vice Chancellor for Academic Affairs from 2002 to 2005 and Associate Dean of the School of Business Administration from 1998 to 2003. She holds a bachelor's degree from Bishop's University in Quebec, an MBA from the University of Rhode Island and a Ph.D from Temple University. Cheng has also been actively involved with the athletic department throughout her career, serving as faculty athletics representative from 1996-2004.

HELEN MAMARCHEV VICE CHANCELLOR

Helen L. Mamarchev was named Vice Chancellor for Student Affairs in January of 2007. She came to UWM from Illinois State University, where she served most recently as the Special Projects Assistant to the President. Prior to her current position at Illinois State University, she served as its Vice President for Student Affairs from 2000 to 2006. At the University of Florida, she was the Associate Vice President for Student Affairs from 1985 to 2000 and the Assistant Vice President for Student Affairs from 1983 to 1985. Dr. Mamarchev has a PhD in Counseling; Organizational Behavior and Industrial Relations from the University of Michigan in Ann Arbor. She also has degrees from Indiana University and Southern Methodist University.

9-TIME HORIZON LEAGUE CHAMPIONS

BUD HAIDET

DIRECTOR OF ATHLETICS

Athletics has been a way of life for UWM Director of Athletics Bud Haidet, and Haidet is busy making success a way of life for the UWM Athletics Department.

In fact, the department has experienced unprecedented success on and off the playing surface under Haidet. In 2007-08, UWM won the Horizon League's Women's All-Sports Trophy for a seventh time while seeing teams in women's soccer, women's volleyball and men's indoor and outdoor track and field win league crowns.

This continued a long line of success for Milwaukee athletics under Haidet. In 2006-07, the women's soccer team advanced to the second round of the NCAA Tournament for a second-straight year, while in 2005-06, UWM won the McCafferty Trophy, the Horizon League's All-Sports Trophy, for the fourth time. UWM won 10 league titles that school year and claimed a third-straight regular season league title in men's basketball.

The biggest highlight of the 2005-06 campaign came after the Horizon League basketball season was completed. The Panther men again made their mark in the NCAA Tournament, beating Big 12 power Oklahoma before falling to eventual national champion Florida. At the same time, the Panther women were battling with Michigan State in the NCAA Tournament, only to fall in the contest. Those basketball accomplishments came on the heels of a 2005 postseason run that saw the Panther men advance to the Sweet 16 and garner national recognition.

Basketball is far from the only sport where UWM has experienced tremendous success. In fact, both the men's and women's soccer teams advanced to the second round of the NCAA Tournament in 2005. The men knocked off Bradley before falling in overtime to national runner-up New Mexico, while the women

beat Purdue before falling to Marquette on a last-second goal.

The success at UWM actually started long ago. UWM finished second in the McCafferty Trophy standings during the 1997-98 school year and during the 1999-2000 school year. In fact, following the 1999-2000 season, UWM finished just one point out of first place and won the MCC men's all-sports championship. The Panthers then won the league's all-sports trophy for the first time after the 2000-01 season, and then won it again after the 2003-04 campaign.

Many of UWM's teams have also gained national recognition under Haidet. The great success of the men's basketball team also includes an NCAA berth in 2003 and a National Invitation Tournament appearance in 2004. The men's soccer team has qualified for five of the last seven NCAA Tournaments and has been ranked as high as eighth in the nation.

The women's volleyball team has qualified for six of the last 10 NCAA Tournaments. The women's basketball team also made the NCAA Tournament in 2001 and 2006, the women's soccer team has been in the tournament four out of the last seven years and the baseball team has also been a regular in the NCAA Tournament.

In the classroom, 70 UWM student-athletes were named to the Horizon Academic Honor Roll in June, giving UWM the highest number per sport offered in the league. Numerous Panthers have also won league and national academic awards, including three student-athletes earning Academic All-America honors in 2006-07. And, the current cumulative grade point average of all student-athletes is above 3.0.

Haidet has also directed an upgrade in facilities for all of UWM athletics. The recently-completed Klotsche Center renovation - the Pavilion - has vastly improved the office and training space for the athletic department and its student-athletes. Haidet has also led the extremely successful move by the men's basketball team to the U.S. Cellular Arena in downtown Milwaukee and shown the way for improvements at Henry Aaron Field and Engelmann Field, which had lights installed for play in 2006.

Over Haidet's tenure, athletics at UWM has moved from NAIA Division II to NCAA Division I status, and from independent status to membership in two athletic conferences. Haidet notes that the strong commitment to athletics by the institution and student association has greatly contributed to the rapid and successful growth of the program. He also feels past student-athletes, coaches and administrators helped set in motion the success UWM enjoys.

Haidet is active in numerous NCAA activities. He has completed Level I-III NCAA Athletics Management courses and was a member of two NCAA Division I Peer Review Certification teams and two NCAA committees. He was also recently the chair of the Horizon League's Executive Council and is active in all of the league's activities.

Prior to coming to UWM, Haidet was an athletics administrator at Miami University in Oxford, Ohio, where he earned both his bachelor's and master's degrees. He was inducted into the Miami Athletics Hall of Fame in 2005.

A former captain in the Marine Corps, Haidet enjoys weight training, hiking and fishing, and spending time with his wife, Beth, stepson, Drew, four children and 13 grandchildren.

MAUREEN KEYES FACULTY ATHLETIC REP

Maureen Keyes is beginning her second year as the Faculty Athletic Representative for UWM. She is also an associate professor in the Department of Exceptional Education. Keyes' academic work has focused on school reform related to special education. Her research interests include spirituality and leadership for justice. Keyes taught children with disabilities in the public schools, including Milwaukee Public Schools, for almost 20 years. She has written papers and book chapters and co-authored the book, "Meeting the Needs of Students of All Abilities." Keyes earned her undergraduate degree from UW-Whitewater, her master's degree from UW-Oshkosh and her Ph.D. from the University of Wisconsin.

KATHY LITZAU

Assoc. Athletic Director

After spending 14 seasons as the head volleyball coach at the University of Wisconsin-Milwaukee, Kathy Litzau has moved into a role as an associate athletic director at the school.

In her new role, Litzau is overseeing a variety of sports as well as the areas of student-athlete support services and student welfare. She is also acting as the liaison between the athletic department and the campus and community while coordinating community relations projects for the department.

The numbers in the 14-year coaching tenure of Litzau in Milwaukee are astounding. She led the Panthers to nine 20-win seasons, eight Horizon League regular season titles and six NCAA Tournaments. Litzau was also named league coach of the year seven times and regional coach of the year twice. In all, she tallied 271 wins in her 14 seasons after taking over a program that won just three matches the season prior to her arrival.

Litzau is a graduate of Notre Dame, where she played volleyball for four years and was the team captain and most valuable player her senior season. She also has a master's degree from Illinois, where she spent time as an assistant volleyball coach. The Naperville, Ill., native also worked at Wisconsin and Michigan State before taking over at UWM in 1993.

Litzau and her husband, Steve, have three daughters - Lauren, Danielle and Kayce - and a son - Nicholas.

UWM ATHLETIC BOARD

The University of Wisconsin-Milwaukee Athletic Board plays a role in connecting the athletic department to the rest of the campus community. Made up of a variety of staff and faculty members, students and alumni, the board meets monthly and gets involved in a number of the activities of the athletic department.

The board's stated mission includes fostering an environment in which a diversified UWM athletic, intramural and recreation program can be competitively and financially successful. The board is also dedicated to integrating a well-rounded athletic, intramural

and recreation program into the life of the university, while also ensuring that the UWM athletic, intramural and recreation program operates in a manner that meets the highest ethical and regulatory standards.

JASON CLARK

Asst. Athletic Director

Jason Clark was named the assistant athletics director for external operations in April of 1999. Clark serves as the marketing director for UWM's athletics department while also participating in other external affairs.

His main responsibilities are maintenance of sponsorship sales, marketing, promotions and advertising for all 15 of UWM's varsity sports. In addition, he oversees the Panther Media Network, helping to coordinate UWM's relationships with its radio and television partners. Clark also helps to coordinate some special events for the athletic department, including the annual men's basketball golf outing and the athletic department's participation in the Wisconsin State Fair. He also coordinates the activities of the UWM cheerleaders and the school's mascot, Pounce.

Clark and his wife, Ginger, have one daughter - Jorja.

STEVE LAUTZ

Asst. Athletic Director

Steve Lautz is starting his fifth year as the compliance coordinator for UWM Athletics and was promoted to assistant director of athletics for compliance this past summer.

Prior to coming to UWM, Lautz was a law clerk and associate for Bond, Schoeneck and King in Overland Park, Kan., for four years. He represented colleges and universities on matters involving NCAA legislation and conducted investigations of alleged NCAA rules violations. He was also involved in conducting audits of athletic departments, particularly in the areas of recruiting, summer camps and clinics. He did his undergraduate work at Gustavus Adolphus before attending law school at the University of Kansas. He also served as Editor-in-Chief of the Kansas Journal of Law and Public Policy.

5 NCAA TOURNAMENTS

The University of Wisconsin-Milwaukee's Athletic Department is committed to enhancing the opportunities of academic, athletic and personal success of every student-athlete. As part of UWM's commitment, a partnership has been created between the academic and athletic communities on campus to give all student-athletes an opportunity to achieve academic success.

UWM has had a full-time athletic academic advisor since 1998, and recently added a second staff member dedicated to academics, reinforcing its commitment to its student-athletes' academic success. All new student-athletes meet with their advisor on an individual basis to assess specific needs. Programs for academic advancement are developed, including monitoring courses, grades and academic progress.

UWM's commitment has paid off. The Panthers have regularly had more student-athletes on the Horizon League Honor Roll than any other league school, and the department's cumulative grade-point average is better-than-3.0.

The Academic Assistance Center, located in the new Pavilion, provides student-athletes with a quiet place to study, as well as one-on-one tutoring opportunities. The academic center also houses a full computer lab and numerous tutoring rooms, and provides a closely-monitored atmosphere for studying and academic progress.

• PRIORITY REGISTRATION - ACADEMIC MONITORING

Student-athletes receive priority when registering for classes. Academic advisors provide ongoing assistance with class scheduling and career planning. Progress reports from the professors of each student-athlete are sought periodically throughout the year, and academic progress is monitored regularly.

• TUTORS

Individuals and group tutors are available in all subjects to student-athletes upon request. The new Pavilion has private tutoring and study rooms for student-athletes.

• STRUCTURED STUDY

All freshmen are required to attend study table for eight hours per week. Students meet Monday through Thursday for two hours per night and are monitored by a member of the coaching staff. Upperclassmen with a cumulative grade point average of less than 3.0 are also required to attend, however their hours are pro-rated based on their GPA.

• POST-GRADUATE OPPORTUNITIES

UWM boasts a 95 percent job placement rate through the on-campus Career Development Center. Approximately 200 employers interview on-campus each year. Workshops are offered to assist student-athletes in planning their career paths. Numerous internships and job opportunities are available in the metro Milwaukee area, the business and economic center of Wisconsin.

The University of Wisconsin-Milwaukee is a member of the NCAA CHAMPS/Life Skills Program. The mission of the NCAA and the University of Wisconsin-Milwaukee is to maintain intercollegiate athletics as an integral part of the campus educational program and the student-athlete as an integral part of the student body. With this in mind, the UWM program, "SUCCESS," was created to support student-athlete development and to enhance the quality of the student-athlete experience within the university setting.

- Student-Athletes
- United for
- Commitment to Excellence
- Challenges
- Education
- Service to Community and
- Skills for Life

The life skills program includes five major commitments:

- **COMMITMENT TO ACADEMIC EXCELLENCE** – to support the academic progress of the student-athlete toward intellectual development and graduation.
- **COMMITMENT TO ATHLETIC EXCELLENCE** – to build philosophical foundations for the development of athletic programs that are broad-based, equitable and dedicated to the well-being of the student-athlete.
- **COMMITMENT TO PERSONAL DEVELOPMENT** – to support the development of a well-balanced lifestyle for student-athletes, encouraging emotional well-being, personal growth and decision-making skills.
- **COMMITMENT TO CAREER DEVELOPMENT** – to encourage the student-athlete to develop and pursue career and life goals.
- **COMMITMENT TO SERVICE** – to engage the student-athlete in service to his/her campus and surrounding communities.

As participants in the CHAMPS/Life Skills Program, numerous UWM student-athletes - including two men's basketball players - have been chosen to participate in the NCAA Foundation Leadership Conference. Kalombo Kadima was chosen to be a part of the conference in 2000, while Dan Weisse took part in the conference in 2001. Three women's soccer players from UWM - Fanta Cooper in 1999, Erin Blaewood in 2000 and Erin Shaugnessy in 2003 - have also taken part in the conference, as has Chris Dadaian of the men's soccer team in 2004.

The NCAA Foundation Leadership Conference is one of the largest non-competitive gatherings of student-athletes representing NCAA Divisions I, II and III. The participating student-athletes are selected from more than 1,000 nominations that were submitted by member institutions that participate in the NCAA's CHAMPS/Life Skills Program.

Criteria for selection to the leadership conference include the student-athletes' demonstrated ability and strong desire to be a leader and potential to benefit significantly from a leadership-development experience.

TEEGARDEN, KANE NAMED SCHOLAR ALL-AMERICANS

NSCAA honors junior pair for athletic, academic achievements

Seniors Sarah Teegarden and Erin Kane were named Scholar All-Americans by the NSCAA last season. The pair were just two of 10 juniors to be placed on any of the organization's three academic teams.

Teegarden and Kane were each all-league first team selections for the third time in their careers, while contributing to UWM's league-leading defense.

Teegarden was a force in the midfield all season, starting all 21 games. She led the team in minutes played by a field player and contributed three goals on the offensive end. The Batavia, Ill., native was selected to the *Soccer Buzz* All-Region Second Team and the league's all-tournament team. She is an education major and boasts a 3.46 grade point average in the classroom.

Kane, an all-region third-teamer by *Soccer Buzz*, started all 21 games in goal for Milwaukee. She posted a league-best 0.73 goals against average and 10 shutouts. The 2007 season was a memorable one for Kane, as she set school career records for goalkeeper wins and minutes played. She also pushed her school and league record for career shutouts to 36. A native of St. Charles, Ill., Kane is a pre-veterinary medicine major and has maintained a 3.35 GPA. She has also earned academic all-district honors from *ESPN The Magazine* and been named to the league's academic all-league squad.

TOM VOLLMAN Athletics Academic Advisor

Tom Vollman currently serves as UWM's athletics academic advisor. In addition to developing a comprehensive program for academic enhancement, Vollman is responsible for providing tutoring and support service assistance, coordinating coursework, and monitoring grade reports, academic progress, and degree completion requirements.

Vollman is also extensively involved in the CHAMPS/Life Skills Program at UWM, coordinating academic workshops for student-athletes. He helps to spearhead the athletic department's various community service projects, including the regular "Neighborhood Clean-Up" events the athletic department participates in. Vollman is also part of the planning for UWM's annual Student-Athlete Awards Ceremony and has coordinated a number of student-athlete social activities. Before joining the UWM Athletics Department staff, Vollman worked as an English instructor with UWM's Academic Opportunity Center. He also taught English, math, literature and history at the Marva Collins Preparatory School of Wisconsin.

Vollman is a native of Cincinnati, Ohio. He earned a Bachelor's degree in both psychology and philosophy from Marquette University in 1999 and then earned a masters degree in Liberal Studies from UWM in 2004.

The UWM Student-Athlete Advisory Committee (SAAC) is composed of current Panther student-athletes. It is assembled to provide insight into the student-athlete experience by promoting, fostering, designing and implementing programs that encourage academic achievement, professional development, health-conscious life choices and social responsibility.

The UWM SAAC is committed to the following initiatives:

- Providing student-athletes with the opportunity to effectively communicate with the department administration and offer suggestions to enhance the quality of the student-athlete experience
- Promoting effective communication among coaches, the department administration and student-athletes
- Promoting an awareness of UWM Athletics throughout the campus and the Greater Milwaukee area
- Reviewing NCAA legislative proposals and make recommendations to the department administration

SAAC members serve as liaisons between student-athletes, the athletic administration and the campus community. Athletes are encouraged to communicate concerns and ideas to their captains and/or for discussion at scheduled committee meetings.

The UWM SAAC operates in conjunction with the Horizon League SAAC and the NCAA SAAC. Steve Bode of men's soccer and Sarah Moore of women's volleyball represented UWM on the Horizon League SAAC last year. Moore also sat on the NCAA SAAC.

Taking care of Sports Medicine issues for the student-athletes is UWM's Athletic Training Staff. The licensed and certified athletic training staff includes Director of Sports Medicine John Ochsenwald and Assistant Athletic Trainers Becky Worman, Renee Manofsky, Chad Henneberry and Drew Schaafsma.

The entire staff is involved in the education of over 40 undergraduate athletic training students. In conjunction with the Department of Human Movement Sciences, these students are working and studying to become certified athletic trainers in the nationally-accredited Athletic Training Education Program, which is spearheaded by Curriculum Director Dr. Jen Earl and assisted by Dr. Stephen Cobb and Dr. Kyle Ebersole. The undergraduate students accrue valuable experiences while assisting the certified athletic training staff

in the day-to-day care of student-athletes sports-medicine needs.

The staff also includes a select group of sports medicine professionals, namely the orthopedic physicians Dr. William Smith, Dr. Todd Swenson, and Dr. Don Middleton – all of whom are associated with Columbia Hospital directly adjacent to UWM's campus and the Orthopaedic Hospital. Providing vital general medicine health care to the Panthers is Team Physician Dr. Brian Hirano who is on staff at Columbia St. Mary's. Additionally, care is also provided by the team of medical providers at Norris Health Center on campus. The Panthers also have access to other specialized professionals to assist in peak performance, such as chiropractor Dr. Kendal Hoard, dentist Dr. Joseph Schell and registered dietician Julia Syburg, all of whom provide expert care for specific sports medicine needs.

JOHN OCHSENWALD Dir. of Sports Med

Director of Sports Medicine John Ochsenwald oversees the sports medicine department. Ochsenwald, who assumed his duties in July 1992, supervises assistant trainers and student trainers in all sports, and serves as staff athletic trainer for the men's soccer program. He is also a clinical assistant professor and teacher in the Athletic Training Education Program.

Ochsenwald came to UWM from the University of Illinois, where he was an assistant athletic trainer for 10 years. At Illinois, Ochsenwald worked primarily with the football, baseball and wrestling teams.

A 1980 graduate of The Ohio State University, Ochsenwald received his master's degree from Illinois in 1982. He worked at Illinois as a graduate assistant athletic trainer before assuming a full-time position there.

Ochsenwald and his wife, Jan, have two children, Jenna and Jamie, and make their home in Cedarburg, Wis.

STEVE FELDE Strength/Conditioning Coach

Steve Felde directs the strength and conditioning efforts for the UWM athletic department.

Felde came to UWM in August of 2006 after working as an assistant strength coach at the University of Minnesota.

He has also worked as a personal trainer at the Wisconsin Athletic Club and Synergy Strategic Fitness while serving as strength and conditioning coach at Grafton High School and assistant strength and conditioning coach at Concordia (Wis.) University.

Felde, a Milwaukee native, now lives in Grafton with his wife, Wendie.

The student-athlete-only weight room

The University of Wisconsin-Milwaukee's newest on-campus building is the Pavilion, which is the home of UWM Athletics.

The Pavilion officially opened its doors to the public in January of 2006 and the building was officially dedicated by Wisconsin Governor Jim Doyle and UWM Chancellor Carlos Santiago on May 2, 2006.

Among the new athletics facilities in the building are offices for coaches and staff, a student-athlete-only weight room, new locker rooms for all teams and team rooms and lounges for men's basketball, women's basketball and women's volleyball.

UWM student-athletes are also benefitting from the brand-new sports medicine center in the Pavilion, which more than triples the previous space available for UWM's athletic trainers. The facility also includes a 2,800-square-foot academic assistance center to help student-athletes in the classroom. The new academic center includes a computer lab along with group and individual study and tutoring rooms. A 618-space indoor parking garage is also part of the facility.

UWM's general student population is also benefitting tremendously from the new facility. A new fitness center has expansive rooms for cardio workouts, as well as a weight room. The state-of-the-art area is the most visible from the outside of the facility, as it features two levels of windows. The new recreation center has two expansive levels and houses four sport courts surrounded by a suspended 1/8 mile track. The facility is utilized by individuals seeking open gym space, run and walk space on the track, and the University's intramural programs.

The building also includes academic facilities for the College of Health Sciences along with accommodations for the new Physical Therapy and expanded Sports Medicine programs.

The \$40 million project, which broke ground in June of 2003, came in below budget due to a favorable bidding climate. Half of the funding is coming from UWM parking fees, while the other half is from state funds and student segregated fees. The athletic department has also undertaken a variety of fundraising efforts for even greater enhancements within its space in the facility.

The most distinctive feature of the 135,000-gross-square-foot Pavilion is the extensive use of glass "walls," creating a feeling of openness and allowing expansive views of nearby Downer Woods and the campus.

Architects for the project were Venture Architects of Milwaukee, a joint venture of Kahler Slater Architects and the Zimmerman Design Group. They emphasize that placement and tinting of windows, called "cool daylighting," allows a wash of daylight inside while reducing energy needs.

MILWAUKEE CUP

In 2008, the Panthers will co-host the Milwaukee Cup with crosstown rival Marquette for the eighth time. The tournament has changed its format over the years with each school hosting two games over the weekend. MU would host Friday's action, while Sunday would see the tourney shift to Engelmann Field. Since 2007, however, Milwaukee and Marquette have hosted their own contests. This season the Panthers will take on Ohio State on Wednesday, Aug. 27, and Samford on Aug. 29.

HORIZON LEAGUE TOURNAMENT

Engelmann Field has been host to three league tournaments, most recently as the setting for the semifinals and championship in each of the last two seasons. The Panthers also took advantage of their turn in the league's hosting rotation to claim a tournament crown in 2002.

The Horizon League began a new format in 2006, awarding hosting rights for the semifinal and championship games to the highest remaining seed after the quarterfinals. Both seasons, the Panthers claimed the top seed in the tourney and rolled into the semifinals. Last season, Milwaukee advanced to the league title game, but fell in a penalty kick shootout after a 2-2 tie.
